Led by devoted father Gil (49) and his loving wife Kelly Joe (47), Bates does everything in bulk while staying true to his values and family rules - meaning that everyone has housework, virtually no TV, only dresses for girls (although pyjamas are worn privately), strictly side hugs before marriage (except for front hugs on special occasions), and more. With a total of 19 children between the ages of two and 25, they are the definition of a large, happy family. But lately - as viewers will see - their simple rural lifestyle in Tennessee is in a flurry of transitions. (Source: UP TV) American reality show Family Bates redirects here.
