Louis garrel daughter

{Module Ads Elite (xx)} 5 fashion facts louis garrel Today the wife of one of the most beautiful women - Laetitia Casta, Luois Garrel celebrates his 34th birthday. Despite this young age, he has already taken a strong position in European cinema. This year, he presented les fantômes d'Ismaël at Cannes. But Garrel is not only a great actress, but also a fashionista. She appears on the red carpet in perfect tuxedos and in normal life prefers a relaxed style. She has been photographed on the covers of Vogue Tomorrow in Italy and France and has been invited to become the face of valentino's advertising campaign. On the actor's birthday, we remember five interesting facts from his life story. 1. Born to a family of filmmakers the fate of a young Louis was sealed. Is it possible to choose a different sphere when your whole family is in the cinema? His father, Philippe Garrel, the famous French director, made repeated films with a little boy. Her mother, Brigitte Sy, is an actress, and her grandfather, Maurice Garrel, was also an actor. And they're only close relatives of Garrel. He is the nephew of producer and actor Thierry Garrel and the godchild of the actor Jean-Pierre Léaudi. Philippe and Louis Garrel are on the set of the movie La jalousie 2. Made a movie himself and adapted the script, Garrel Jr. decided to follow in the footsteps of his father and try to get himself a director. In 2015, the premiere of his debut film Les deux amis was made. It's the story of two old friends who fall in love with a girl, Mona. The film was based on Alfred de Musset's play Les Caprices de Marianne, in which 15-year-old Garrel played in a theatre school play. Pictures from Friends 3. Garrel raises his adopted daughter Celine with older sister Carla Bruni. The actress dated Carla Bruni's older sister Valeria Bruni-Tedesch. Their romance began in 2007 on the set of the film Actrices. In 2009, the couple adopted a girl from Senegal named Celine Garrel. As Louis said, the new status didn't affect his life at all. Louis Garrel and Valeria Bruni-Tedeschi film Un château en Italie prremiere, 2013 4. Women in movies and in the life of Reality and cinema are suspiciously closely intertwined with the fate of Louis Garrel. In real life, the actress dated Valeria Bruni-Tedeschi, who is 19 years older than her. This experience complicates the relationship between the older women he transferred to the cinema. His lover, Valeria, made two films with Garrel - Actrices and Un château en Italie. In her father's film This Summer, Garrel's hero is married to Monica Bellucci, and in the film La jalousie she has an affair with Anna Mouglalis. By the way, newly made husband Laetitia Casta is also a little older than the actress. Garrel also doesn't mind having an affair married woman, but of course, in the movies. As in the film Illusion of Love with Marion Cotillard or La frontière de l'aube with Laura Smet. Valeria Bruni-Tedeschi in Actrice; Monica Bellucci in The Summer of Passion; With Anna Muglalis in The Jealousy; With Marion Cotillard in the film Illusion of Love With Valeria Bruni-Tedeschi in the movie Actrices; 5. Never smile, and the truth is that we love Garrel not because of his radiant smile, but because of his scowl. You rarely see an actor smiling in movies and pictures. As Louis himself says, people even started making memes out of it. One day, the shooting photographer asked him to smile and took a picture of a polaroid. When they saw the result, they unanimously came to the conclusion that he should not smile. Garrel himself speaks of himself in the tone of irony - because with a big nose, he considers himself ugly and therefore pleases the audience with only a restrained smile during the exit of the red carpet. ((728)} READ MORE {Module Youretro Slider (mod) (mod) (6)} Here visitors can read Louis Garrel Wife, Daughter / Children, Girlfriends, Affairs / Relationships, Age, Length, Weight, Body Statistics, Biography, Wiki, Family, Parents, Sisters / Sister, Education, Career, Movies, TV Shows, Awards, Favorite Things and more.
