A guide to fashion sewing 6th edition

Multiple purchase choices a guide to Fashion Sewing, 6th Edition, provides a comprehensive fashion sewing resource for the beginning and advanced sewers alike. Readers will learn how to assemble and construct designs of different styles using proven industry methods for more than 100 sewing applications. Chapters cover everything from sewing equipment, measurements and material selection to actual clothing assembly. Filled with easy-to-follow, step-by-step instructions and large, clear illustrations, this book is an indispensable resource for constructing quality garments. Accompanying video demonstrations help readers learn in their own pace basic sewing skills and techniques such as seams, darts, bias binding, zipper, and garment collection. The new edition includes an updated design, new industrial sewing machine information and photographs, and expanded information on tailoring. Amaden-Crawford has added practical metric measurement equivalent to the text, useful project checklists to support self-evaluation of completed project, and 1/2 scale patterns to make sample garment assembly easier than ever before. Format: eBook Edition: 6th Imprint: Fairchild Books 14% off Start your review of Guide to Fashion Sewing I borrowed this from inter-library loans. It's a great emergence book for clothing sewing, and I want to own a copy! I'm going to read it some more until the end of July... Mop Will make the most of m time with it. Now I need to save my pennies until I can afford a used copy (6th edition is the latest). I'm not sure why it's so expensive, but it's so well laid out and offers so much information that I suppose it's worth it. I would also love to own a copy of Connie Crawford's book on pattern making... one I borrowed this from inter-library loans. It's a great emergence book for clothing sewing, and I want to own a copy! I'm going to read it some more until the end of July... Mop Will make the most of m time with it. Now I need to save my pennies until I can afford a used copy (6th edition is the latest). I'm not sure why it's so expensive, but it's so well laid out and offers so much information that I suppose it's worth it. I would also love to own a copy of Connie Crawford's book on pattern making... another time to save up for! For any sewing enthusiast I think this would be a valuable book to save a space for! ... more Great reference book for systs. The steps are easy to understand and the charts are amazing. I often forget standard measurements (how wide should a neck facing should be, etc.) and refer to this often. A truly amazing reference book. Large step-by-step instructions with easy-to-eat drawings. I caught myself a number of times sighing oh and I see about certain techniques I had always been a bit confused with. really amazing reference book. Large step-by-step instructions with easy-to-eat drawings. easy-to-eat drawings. caught myself a number of times sighing oh and I see about certain techniques I had always been a bit confused with. ... more This was my go to book for sewing. I love the order of collection and illustrations to go with sewing techniques. There were a few techniques that could have been written and/or illustrated better as the instructions were not very thorough. But overall it was very helpful. ... more Guide to Fashion Sewing Textbooks | Buy textbooks | Arts & Humanities Textbooks | Sewing & Clothing Textbooks Summary Author of bio The Digital Rights A Guide to Fashion Sewing, 6th Edition, provides a comprehensive fashion sewing resource for the beginning and advanced sewers a single.
