Chính vì vậy, Ngày Black Friday 2020 là ngày nào và khi nào diễn ra? Là câu hỏi luôn khiến nhiều người băn khoăn, thắc mắc. Cùng theo dõi bài viết dưới đây để có thêm những thông tin hữu ích về ngày Black Friday cho mình nhé! Black Friday hay tiếng được gọi là ngày tháng sáu đen tối hay tháng sáu đen. Đây là ngày tháng sáu đen đầu tiên của tháng 11, diễn ra thanksgiving 1 day each year. Although the name may sound like a fear, but in fact Black Friday has a very positive meaning and is expected by many people. It's the opening day for a series of busy and vibrant trading days on the back of Americans. This is called black because stores used black pens to make a profit. It is red to write off deficit losses. The more blacks in the books, the more words prove. Hence there is a black letter. I mistakenly suggested on this day the store would benefit many customers. Black Friday 2020 will take place 27/11/2020 You may be interested: Buy discounts on Black Friday - Amazon Black Friday brand hunting experience - Cyber Monday 2020 is a regular day, after Thanksgiving and before Christmas, it's a time when hundreds of thousands of Americans take to the streets to go shopping for their families and themselves. On the Friday after Thanksgiving 1965 in Philadelphia, countless people crowded many sidewalks, streets and roads causing severe traffic jams. Recognizing the growing consumer demand at the time, countless stores and business units in the U.S. have launched promotions, lowering prices to attract customers. Since then, the event has been repeated every year and is known as Black Friday. In recent years, Black Friday has spread to many other European and Asian countries, including Vietnam. Black Friday is the biggest shopping festival of the year. If you miss out, you will have to wait quite a long time to wait for the next discount. Having the right brand to live the right way has never been so easy and economical. On Black Friday, many products are sold at a discount on Amazon. However, since the product is very diverse, you do not know what to buy. Here are some items you should be shopping for Black Friday. For technology and electronics enthusiasts, Black Friday is for us the most record-breaking festival of shopping and sweeping, for which we can hunt for attractive offers of excellent quality, but extremely bargain price. Speaking of this category is very large, but one of the outstanding devices called by many people, we can not help but mention such as Bluetooth speakers, gaming headphones or famous iPhones. These audio devices typically have a 1/3 or 1/2 discount on the normal sale price and are the most targeted audience. With deals from Amazon, Best Buy, Walmart or Kohl's, Target, Newegg all offer great discounts and just spend a small amount of money being a procession right on the hottest product this season. Some lines can be seen, such as: Amazon speakers, Bose, Klipsch, JBL are well known brands, so the quality has been tested and very good sound. It's possible that items with offers are shrinking a bit more than other brands, but we advise you to focus on quality rather than sales prices. Some of the most popular and excellent sales headphones are Sony's noise-cancelling headphones, such as Sony's WH-CH700N, WH-1000XM3, WH-H900N, Apple -AirPods headphones, Sennheiser headphones, Beats headphones and bose line. Audio equipment is highly valued In addition, you can hunt for unique cameras of famous brands such as Sony, Canon, Nikon, for example, others are looking for cool laptops, smartphones or accessories that need to be upgraded to meet the needs of daily work. Smartphones or laptops are also warmly awaited with dizzying reduction. In addition, it is also an opportunity to overhaul computer accessories that are outdated or come to life hard drives, graphics cards, RAM, and even replace the keyboard and mouse to provide the most efficient experience. You will notice well-known brands of computer components and accessories such as Logitech - keyboard and mouse, Asus, Gigabyte - video card, Western Digital known for HDD / SSD, Mushkin, G-Skill Kingston - specializing in the Ram series. These are important notes to hunt for bargains while ensuring quality. So, no matter what item you like, Black Friday is a good opportunity to hunt for impressive gear that you can't miss! It must be admitted that fashion is a product on the first ranking list with many attractive and attractive offers in a wick of bottomless purchases this time around. You plan or don't ignore the impressive items below! The first is clothing and shoes: on major retail sites such as Amazon, Kohl's, Walmart you will come across many attractive deals with impressive discounts on items such as children's clothing, winter clothing, sportswear, T-shirts, jackets,... In addition, on adidas or Nike sites the lowest discount ranges from \$ 20, and a record high drop can be up to \$ 80, you can save 30% - 60% for each particular product. Then watches: this is considered the best-selling Black Friday product with various models of famous brands in the world such as Seiko, Michael Kors, Rolex, Tissot, Citizen, Casio, Fossil, Rado, In addition to e-commerce sites like Amazon, Kohl's, if we pay more attention, we will see that Jomashop also launches very shocking offers that cannot be denied. Overall, the lowest decrease is 20% and the highest to 85%, popularity from 50-60%. Thus, just spend half the price, even a third of the price compared to the usual right and always the watch you missed. The watch is considered the best-selling fashionable accessory every Black Friday due to the huge deals it has. Finally, handbags and some fashion accessories: considered necessary accessories to enhance personality, these elements have a fairly deep reduction. In this legendary sale, items have been reduced from 40% to 65%. The most popular sales rate is from 40% - 50%, generally quite favorable to order as soon as possible, help fire! Black Friday is also a suitable opportunity to give children Christmas gifts or New Year's gifts. Toy brands on Amazon often have a deep drop on Black Friday, helping you buy your child real toys for a reasonable price. Game

Controller is a popular item on Black Friday For items like game controllers, game discs we can hunt for Best Buy, Kohl's or Walmart because these retail sites have a better price than Amazon.
