## Doogie howser theme song snl

Neil Patrick Harris is amazing. His career had a revival with his appearances in the Harold and Kumar films, as well as his even better performances on the show How I Met Your Mother (best comedy on TV today). NPH hosted SNL this weekend, and it was one of their best shows in years. So before your friends find youtube, you will find a video here that everyone will talk about all week. We first met NPH as Doogie Howser MD as a teenage doctor who saved lives (this could only happen on ABC). NPH played the theme from last night's show on SNL with the rest of the SNL cast acting as its orchestra, all of them donning doctor's lab coats and Doogie Howser wigs. Even though it's usually a rock music news site, we make an exception. Watch the amazing video below: If you enjoyed this post, make sure you subscribe to my RSS feed! NBC not only got around to airing last weekend's SNL Digital Short featuring host Neil Patrick Harris and the SNL cast performing a theme song from Doogie Howser, MD, but Hulu's site for SNL (for non-Hulu-viewing nations, NBC's SNL site) also carries a note informing viewers that they are working on getting permission to share their skits on the Whopper Virgins ad campaign from Burger King. Your move, BK. Related: A full review and recap of SNL with Neil Patrick Harris. Unfortunately, our website is currently available in most European countries.
