

## **PRESS RELEASE – FOR IMMEDIATE RELEASE (February 4, 2019)**

### **Grapevine Art Project Exhibits at Grapevine REC**

During March, GAP will have an exhibition of paintings and photographs at the Grapevine REC. The exhibition features several dozen original works of art by GAP members. This exhibition is free to the public.

A new opportunity for GAP members is called Art Chat. This forum utilizes a small panel of expert artists who provide supportive and meaningful critique of art brought in by GAP members. The Art Chat is open to members and also can be viewed by the public at no charge. This forum will be held on the second Thursday of each month, preceding the normal GAP meeting and presentations. Due to continued renovations of Grapevine’s Bessie Mitchell Center, meetings will continue to be held in the Grapevine REC.

GAP is pleased to announce the continuation of its GCISD Student Art Scholarship program, in which cash scholarships are awarded to seniors at Grapevine High School and Colleyville Heritage High School to continue their pursuit of the visual arts in college. Donations from businesses or from the general public are gratefully welcomed and can be made at the GAP website.

The Grapevine Art Project holds monthly meetings on the second Thursday evening of each month, often featuring presentations and demonstrations from highly regarded artists in many diverse media. Visitors are welcome to attend and learn more about the organization, its members, and programs. Artists include painters, photographers, potters, jewelers, sculptors, weavers, and other visual media formats. New members, even those who are not artists, are always welcome. Light refreshments are served.

GAP is a well-established community of more than 90 artists from Grapevine, Texas and surrounding areas, who love to create, enjoy, and learn about art. The Grapevine Art Project is open to artists who work in any media. For more information, visit us at [www.grapevineartproject.com](http://www.grapevineartproject.com)
