Updated Policy

For our safety and the safety of our staff, we are limiting how many patients are in the building at any one time. As a result, we ask that patients do not show up no more than five minutes prior to scheduled appointment time and if you are late, please call to see if your appointment needs to be rescheduled.

If you have been exposed or experiencing any of the symptoms listed below, please call prior to your scheduled appointment.

- Do you currently have any flu-like symptoms, i.e. a fever, cough, shortness of breath, sore throat, chills etc. -including fever greater than 99.6.
- Have you, someone living in your household, an intimate partner, or someone you are caring for, been diagnosed with COVID-19 (Coronavirus) or had any contact with a possible case of COVID-19.

It is out of an abundance of caution that we put these policies in place to protect our team members and their families.

Thank you,
Oklahoma Injury Care
