Name: Helga Lehmann

Email address (optional): _____

Address including postcode: Bowsey Hill Cottage Wargrave, Berks RG10 8QJ

Tell us what you want to do: Object

Planning application number: 153172

What are your comments: I object to the above application. The reasons given for the requested extension are not plausible. The site could and should have been worked to its permitted capacity and the work completed within the scheduled timeframe. Helga Lehmann top of Hatchgate Lane
