

What is the NJROTC?

Congress started the NJROTC program in 1964. Its purpose is to emphasize leadership development and citizenship. The NJROTC program is NOT military recruitment.

HEAD START:

People who are successful in life, who succeed in business, industry, and education have often developed a strong sense of self-discipline, an ability to lead and motivate others, and a well-rounded character. Naval Junior Reserve Officer's Training Corps (NJROTC) teaches you self-discipline, self-confidence, and leadership skills that can help you meet life's challenges. NJROTC curriculum, instruction, and activities are designed to develop your leadership ability regardless of your career path.

MISSION OF THE NJROTC:
