## WELCOME TO ONE OF THE FINEST NAVY JROTC PROGRAMS IN THE NATION!

We are so excited to welcome cadets and parents to Hillgrove's Navy Junior Reserve Officers' Training Corps (NJROTC) program for the 2020/2021 school year. You are joining a nationally recognized NJROTC program; "Distinguished Unit" six years in a row and last year, the #1 unit in the State of GA. We look forward to building upon that success this school year.

Our program provides cadets the opportunity to grow and develop as students and leaders and our efforts are focused on cadet academic success, leadership development, teamwork, and school/community service. This is accomplished, in part, through academics, military drill, and physical training. We also compete competitively against NJROTC units from across the state and nation, in military drill, academics, rifle, drone, athletics, and orienteering. We also participate in numerous community service events, local area parades, and perform color guards for local school, government, and civic organizations.

In order to reinforce learning in the NJROTC program, cadets will have the opportunity to participate in orientation trips to military bases and other historical/educational venues. In recent years, we have visited Los Angeles, CA, Washington D.C., Seattle, WA, Jacksonville, FL, Charleston, SC, Orlando, FL, Phoenix, AZ, Dobbins Air Base in Marietta, the National Infantry Museum, and others. There are also opportunities to attend various summer leadership trainings and camps. Finally, cadets will plan and participate in an Annual Military Inspection and Pass-in-Review Ceremony, as well as their own Military Ball and End-of-Year Awards Banquet.

With all the NJROTC program offers, we cannot do it alone. First, we ask that each parent become an active participant in our unit's Cadet Parent Organization (CPO) Booster Club. Second, the cost for being in the Navy JROTC program is minimal compared to the valuable experience these cadets receive; which includes the cost of athletic gear for new cadets, and an additional activity fee to be paid by all cadets to the Hillgrove NJROTC program to assist in making all the activities possible. We will conduct other fundraising events throughout the year, but activity fees will account for a significant portion of the funds needed for our program. Your involvement and contribution will help us to provide the best possible experience for our cadets. *As we deal with Covid-19, events this year will be limited compared to years past; Everything we are able to do will be done with cadet safety as our priority. With reduced events, our activity fee this year is significantly reduced as well. I hope you will support our unit and get as actively involved as we mold our next generation of adults.*

Thank you for your support and welcome aboard!
