More grace and peace to you and your family in these trying times. I have decided to personally write this letter to you after the Lord had impressed in my heart to do so. Please be patient to read through.

There is absolutely no doubt that this situation caused by the outbreak of COVID-19 is affecting all of us in various ways. I can also confirm to you that I have been ministering to a couple of people who have been battling against the virus, however with great success of healing and recovery. Let me also confirm with you that more people than usual have been experiencing attacks in their lives on various fronts including health, finances and relationships. There's no doubt that the enemy is all out to steal, kill and destroy, but we are "more than the conquerors" in Jesus Mighty Name.

I am not telling you all these things to bring even more fear on you; I honestly mean to alert you to be more sober and vigilant as the Bible teaches us and also to resist all his evil advances aimed against us. We have unfortunately observed a significant drop in Christians watching livestream sermons across churches, this is really concerning for our spiritual growth and strength. This cannot be the time to relax. We urge you to stay connected with our message of grace wherever you are. In order to navigate wisely during these times, I wish to share the following measures which you can put to practice in order to stay victorious:

1. Make time for constant prayer
2. Partake regularly or daily of the covenant meal (Holy Communion). This is very important.
3. Make regular declarations of the covenant promises that we used to do together at Church services or any other Scriptures as the Spirit of God leads you.
4. Study and listen to the Word of God on a regular basis.
5. Please continue to watch our Livestream services together as family and give special attention to the teaching of the Word of God without all other distractions in the house. This is very important. Remember the same measure you use to hear the word, will be measured back to you!
6. Call fellow believers now and again to encourage one another in the faith.
7. If you happen to be under any attack or infected by Covid-19 please don't hesitate to personally call me, my wife or Pastor Blessing for prayer and support. Our contact details are below. Alternatively, you can leave a text message on our GMC cell Number.
8. Continue to partner with God financially especially in times such as these and the Lord will undoubtedly bless you beyond measure.
9. Pray for us and the entire church regularly and for the President and the entire country
10. Find and use any opportunity to minister Christ to others as the Lord leads you, the harvest is ready.

I believe the Lord has placed the following scriptures in my heart to share with you as a word of encouragement:

Ephesians 5:15-17 (NLT)

15 So be careful how you live. Don't live like fools, but like those who are wise. 16 Make the most of every opportunity in these evil days. 17 Don't act thoughtlessly, but understand what the Lord wants you to do.

Galatians 6:9-10 (NKJV)

9 And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart. 10 Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith.

Colossians 1:10 (NKJV)

10 that you may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God;
