TEACHER'S REMARKS.

The above is the general program used, all the above is according to the program book. The work was not done in all the branches every day, it was not necessary as we are used to cover the month's work. Nov. 11, 12, 13 and 14 have worked out of the district. Nov. 15 & 16 have been absent but little as they came irregularly when they did come and played. The amount of work of the old method was done in the first part of Nov. 17 & 18. The above program was used throughout the term. Nov. 19 & 20 needed to be worked together and Nov 21 & 22.
