PO Box 1030

January 2020

Dear Clopton Cousins:

You have read the itinerary in the recent newsletters for the 2020 Clopton Reunion in Long Melford, England; and we have already heard from many of you that you are excited about attending. Now it is time to make your commitment official by mailing in the enclosed registration form, making your airline reservations, and deciding what type accommodations you would like. **Since there is a limit to the number who can be accommodated, it is imperative that you send in your registration as soon as possible to be assured of being on the list - preferably by February 29.**

**Reunion week in Long Melford** – The reunion committee in Long Melford has set a limit of **85 people** for this week.

**Post-Reunion Tour to the county of Hampshire in the south of England** – The reunion committee has reserved sufficient hotel rooms and bus seats for this week to accommodate up to **40 people**.

## Procedure for Registration

Mail the enclosed **Registration Form** to Pat Clopton-Wheeler along with the \$100 deposit per person for each week - preferably by February 29 - since the number who can attend is limited.

If the registration list is full by the time your registration is received, Pat will put you on a waiting list and will keep you notified of your status.

If you have not already made your **airline** reservations and your **hotel or B&B** reservations, please do so as soon as possible as a number of rooms have already been booked in Long Melford for the reunion week. Please read this entire letter carefully before making airline reservations so that you will be certain your flight dates coordinate with the schedule for pick up and return to the airports. There is an **Airline and Hotel Form** attached. Your registration will not be complete until you send this form to Pat. This is to prevent someone from paying the deposit and then not following through; thus, taking a space that someone else could have used.

### CANCELLATION POLICY:

If you have to cancel, \$50 per person per week of your \$100 deposit and all of your final payment will be refunded **if** there is someone on the waiting list who takes your place. Any necessary refunds will be made after the reunion.

### TRAVEL INSURANCE:

Some people may choose to purchase travel insurance from one of the many companies who sell it.

### EXCHANGE RATE:

The exchange rate is currently somewhere near \$1.31 to £1.

### AIRLINES:

The committee will provide pick up from Heathrow Airport for those who arrive on Monday morning, June 29. You should choose a flight that puts you at Heathrow as early as possible Monday morning. If you arrive in the UK earlier than Monday, you may return to **Baggage Claim** at Heathrow Airport no later than 10:00 AM to ride the coach to Long Melford. You must fill in the appropriate box on the Airline and Hotel Form if you will be returning to Heathrow to ride on the coach to Long Melford. If you must fly to Gatwick Airport, there is a shuttle that will take you to Heathrow.

**LOOKING AHEAD TO 2022:**

During each Clopton reunion there is a Saturday morning business meeting at which time the CFA elects new officers and decides on a location for the next reunion. If you would like to volunteer to plan a reunion in your section of the country, please contact Pat Clopton-Wheeler (325-773-2714 or [pacw2@sbcglobal.net](mailto:pacw2@sbcglobal.net) ) to discuss this with her. You would also need to prepare a presentation for the business meeting to acquaint the membership with what your location has to offer for a reunion; or if you will not be attending the reunion in England this year, you may contact Pat about having someone else make the presentation for you. The membership will vote to choose a location.

**GIFT BAGS:**

To thank our English committee for over two years of work they have done to plan the Clopton reunion, we are asking each family who comes to the reunion to bring items that can go into an individual gift bag for each of the 9 members of this hard-working committee. You may choose to bring something representative of your state or region or just nice gift items. **If we were going through a travel agency for these arrangements, the cost would be much, much higher**, so this is just one of the many reasons we want to show our appreciation to this committee by giving them some very nice gifts. **Please have these items easily accessible in your luggage so that you can leave them at the registration table in The Bull Hotel to make it possible for us to have the gift bags ready for the Monday night reception.** If you can provide 9 large sturdy gift bags and /or would like to be the person to place gifts in the bags at The Bull Hotel, please get in touch with Pat Wheeler.

**MEMBERSHIP:**

To attend the reunion, your Clopton Family Association membership must be current. Cost is \$15 per year for each household. If your membership is not current, please add \$15 on the appropriate line of the registration form. If you are registering for people from more than one household, you will need to add \$15 for each household represented. The address label on your envelope indicates your membership expiration date.

**QUESTIONS:**

If you have questions about any of the information in this letter, you may contact Judy Timmons or Pat Clopton-Wheeler. The planning committee in Long Melford has asked that anyone who has questions should contact someone in the CFA. Please do not contact anyone in Long Melford to answer your questions.

We look forward to receiving registrations from many of you and to renewing friendships in Long Melford with Clopton cousins and English friends.

**A FINAL REMINDER:**

**Make certain everyone in your group has a passport that has not expired.** If you are planning onward **travel** after departing the **UK**, note that many other countries require at least six months' remaining **validity** on your **passport** to enter.

**The balance of your payment will be due by April 15, 2020.**

Sincerely,

Judy Timmons (803-782-6880 [judyhtimmons@yahoo.com](mailto:judyhtimmons@yahoo.com) )

**Monday, July 6 Lord Montagu's stately home at Beaulieu.**

Originally built in the 13<sup>th</sup> century, the house was extended in the 16<sup>th</sup> and 19<sup>th</sup> centuries and is today a fine example of a Gothic country house with the inside in a Victorian style. It is still home to the current Lord and Lady Montagu. Also on the grounds is the world-renowned **National Motor Museum** which houses around 250 vehicles manufactured since the late 19<sup>th</sup> century. Nearby at **Buckler's Hard** learn how warships were built for Lord Nelson's Navy and see models of the ships which took part in the Battle of Trafalgar.

**Tuesday, July 7 Portsmouth**

When Britannia ruled the waves, it did so from Portsmouth's Historic Dockyard, still the base of the Royal Navy. The grand and historic warship, the HMS Victory, changed the course of world history when Admiral Lord Horatio Nelson pursued Napoleon's fleets and conquered them at Cape Trafalgar. The museum building holds the much older Mary Rose, a 16<sup>th</sup> century warship which was King Henry VIII's favorite. Near the **Spinnaker Tower**, which has become an icon of the city, the successful makeover of Portsmouth added an outdoor shopping center.

**Wednesday, July 8 – Winchester Cathedral & Hospital of St. Cross**

Today we stay in Winchester to visit **Winchester Cathedral** where many of England's kings and queens are buried and which was Hogwarts in Harry Potter! It is one of the finest medieval cathedrals in Europe with over 1,000 years of history. Among the many famous who are buried there is Jane Austen. Next we travel to the **Hospital of St. Cross**, founded between 1132 and 1136, creating what is said to be England's oldest charitable institution.

### Thursday, July 9 – Watercress Line, Jane Austen & Gilbert White

We start the day on the **Watercress Line** to experience the Golden Age of Steam Travel; then, on to the humble home of the author of *Pride and Prejudice*, **Jane Austen**. It was in this country cottage that Jane's genius flourished and where she wrote all her novels. Austen's house will be followed by a visit to the home of **Gilbert White**: a priest, naturalist and ornithologist; his home is a treasure. The rooms have been restored, following descriptions in White's own correspondence and include items of contemporary furniture, family portraits, and bed hangings embroidered for him by his aunts.

### Friday, July 10 – Osborne House via ferry ride to The Isle of Wight

Osborne House is a stunning Italianate palazzo that was Queen Victoria's beloved getaway for 50 years, until her death in 1901. Today Osborne House has been lovingly restored. Visitors will have an intimate glimpse into the nursery and private rooms of the Queen and her beloved Prince Albert, who lived there with their nine children.

### Saturday, July 12 – Departure

You will be taken by coach to the Heathrow airport for return to the US or to continue your privately arranged travel plans. **Since flights to the US leave very early in the morning, the coach will not arrive at the airport in time for you to fly to the US on Saturday. Therefore, you can make a reservation at an airport hotel for Saturday night (please make your hotel reservation prior to leaving the US) and fly home early Sunday morning.**

*A message from the Long Melford Planning Committee: "We very much hope that you enjoy the Reunion and Tour and look forward to the next Long Melford Reunion of the CFA in 2026."*
