January 2018

 FamilyLife's Mission: To effectively develop godly marriages and families who change the world one home at a time.

Spring Has Sprung: It's Weekend to Remember Time!

Greetings from thawed-out Little Rock, Arkansas. We know everyone across the country has had a winter freeze to some degree—or minus degree—this month. After nearly 18 years here in Little Rock, there's very little cold-weather tolerance left in us, however, despite our Chicago roots. We're praying for you and we appreciate you and your faithful prayers and giving toward us. We trust God will keep you warm by keeping the fires of evangelism burning in your hearts. We can help—because you can invite couples to attend ANY Weekend to Remember getaway at 1/3-off the regular registration cost (\$100 savings per couple) using our group name, **Maupingroup**. But the value is not simply in the cost savings. The Weekend to Remember value is in the Gospel, shared from 11:40 a.m.-12:30 p.m. on Saturdays at each getaway, because it's the Gospel that changes lives. That is why we want you to invite those you love that are married or thinking about being married to attend a Weekend to Remember getaway—because they will hear the Gospel and will clearly understand the role of the Holy Spirit

to counsel and direct them to follow Jesus. Because you stand with us, we are all connected to EVERY CHANGED LIFE that happens at every FamilyLife Weekend to Remember getaway.

Susie and I will be serving at the **Feb. 9-11 Tulsa WTR; the March 2-4 Chicago Lincolnshire WTR; and the March 23-25 Chicago Oak Brook Hills WTR** so, should you choose to attend one of those, we'll get to see you there! That is a win-win for us (and hopefully a good thing for you, too).

Since 1976, couples have been finding God's blueprints for marriage at FamilyLife's Weekend to Remember getaways. Visit www.familylife.com/weekend or call, 1-800-FL-TODAY to register.

Through our partnership, we are each more effective in making disciples and sharing the Gospel than any one of us would be on our own.

Your faithfulness provides for a very warm feeling in our hearts as we consider you and the privilege it is to serve Christ with you. To God be the glory.

Maupin Family Ministry Prayer and Support

The Family is the most powerful human institution in the world for shaping civilizations and succeeding generations. For over 40 years, God has blessed FamilyLife with a strong platform of **proven history** to enable us to build new initiatives and ministry **opportunities**. The need is real and the crisis imminent: people desperately want help and want to help others. **Your partnership** with our family is making a difference. We praise God for you as we pray for His blessings on you and your family.

Maupin Family Business

Here are a few prayer requests and praises: We are praising God for Susie avoiding serious injury two weeks ago when a motorist pulled out in front of her as she was driving at 45 miles per hour down a road near our home. She didn't have time to avoid impact but aside from some pains and a persistent headache, she did not suffer serious injuries. She saw her doctor and he has prescribed medication and we are rejoicing that it wasn't worse for her than it appears to have been. However, the car was totaled by our insurance company and so we begin another quest for a reliable

car that fits our budget, preferably not requiring financing. Pray God will meet our vehicle needs as we know He has a plan. Oddly, we were just considering what to do about replacing our “other” car, the 2000 Dodge Caravan with 210,000 miles on it—and without air conditioning—a week before Susie's accident. We'll see what God has for us. Perhaps there is way to replace both cars. We praise God for Ricky, who reached age 33 on Jan. 26. Ricky and his wife, Erin are such a delightful couple. Please pray for Sallie and Brian as they are expecting their son, baby number 3, Tre, to be born in mid-February (expect to see pictures

in the Feb. 2018 Maupin Message). Please pray for a safe and uncomplicated delivery for Sallie. Also, pray for their busy family of five as Junior is just 2 1/2 and Taelor turned 1 on Jan. 19. Brian's coaching responsibilities create some real opportunities for Grandma and Pops—especially Grandma—to get some quality time with kiddos each week. We praise God for that! Please pray for our busy Spring and for travel mercies as we hit the road to serve at our events. We are blessed and we praise God for you and thank you, again, for your prayers and support of our family and our ministry with FamilyLife.
