# AN INVITATION TO YOU

The members of the Jaguar Car Club of WA (JCCWA) invite you to be part of the Jaguar National Rally in late March and early April 2020.

The Rally will be held in two phases commencing in Perth where the Rally headquarters will be the Joondalup Resort about 25 Kilometres north of Perth and just minutes from the coast.

Phase two will be based in the South West Region at Busselton where the headquarters moves to the Abbey Beach Resort on the shores of Geographe Bay.

Both resorts provide an excellent standard of accommodation and facilities and provide easy access to a range of natural attractions and activities. Busselton is a premium tourist centre close to Margaret River and the beautiful south west coast with much to see and do.

It is the people that make our clubs enjoyable and in getting together from all over the country to see some of our beautiful state you will be sure to make some lasting friendships and wonderful memories.

You will be most welcome in WA, we hope to see you here in 2020.

## The Rally Celebrates 'Eighty Five Years On'

It is eighty five years since the Jaguar name was first used on a motor car and introduced to the world at the Mayfair Hotel in London in September 1935.

The first car to bear the big cat moniker was the SS Jaguar 2.5 litre Saloon. It was one of the most distinctive and beautiful cars of the pre-war era, with its sleek, low slung design. It needed a new name to reflect these qualities, one that summed up its feline grace and elegance with such a finely-tuned balance of power and agility. The big cat was chosen and the SS Jaguar perfectly justified the analogy.

**The Jaguar Marque was born!**

Eighty five years of the Jaguar name has meant eighty five years of iconic design for Jaguar lovers to enjoy.

We are pleased to feature the SS Jaguar at the National Rally 2020.
