

# Become Our First Priority

## Become a member today!

The FSCNC is a non-profit organization with a mission to make our community safe from wildfire. We provide direct landowner education and assistance programs. Programs include a drive-by chipping service, free defensible space clearing for low-income seniors and disabled, the Scotch Broom Challenge, children's education, Creating Firewise Communities, the annual Prepare for Fire Season newspaper guide, and third-party verification of defensible space for insurance carriers. We rely on people willing to volunteer, grant funding, and private contributions to sustain our operations. **We have been in business for almost 20 years and are considered a leader in innovative programs for fire safe activities in California.** Please consider joining the council as a member to continue the effort to make all of Nevada County fire safe!

**Sustaining** Entitles you to priority scheduling of chipping services, a window decal, and member discounts on special Firewise equipment and FSCNC events.

**Chipping service donation is suggested at \$75 per hour and is separate from the membership program.**

**Association** An Association Membership is for a group of people along a private road who want to get together and clear the road for safer evacuation, and then have their piles chipped shortly after completing the work. This membership gives your association a chipping consultant who will cover topics such as county fire road standards, defensible space along the road, and how to properly place your chipping piles. Association members will receive scheduled service to chip piles after their designated work day (weather, equipment, and schedule permitting) within the next week. Association members are also eligible to borrow available safety signs, cones, vests, and safety supplies from the FSCNC to use while clearing the defensible space along the road way.

**Business** This membership gives you priority scheduling chipping services on owner or business property. It also gives you the chance to market your business with a link directly to your company on our website as well as a window decal and member discounts on special Firewise equipment and FSCNC events.

**Supporting** A gift or grant of \$1000 or more provides your business logo on our website and formal recognition in our annual report of activities.

***Every Member Counts!***

# Annual Membership Form

Please mail to PO Box 1112, Grass Valley, CA 95945

Yes, I would like to be a member of the FSCNC.
