One Platform for Different Users

The Prime Legal, Tax & Accounting platform is the answer and endeavor to provide information enabling professionals to make the right decision.

PrimeLaw

Our platform with complete local legislations and court decisions offers a reliable research tool to solicitors, barristers and other legal practitioners. Law students and academics will also find our database immensely useful because of the advanced functionality to allow quick research.

PrimeTax

Our tax case reports date back to 1986 and have proven to be invaluable references for tax accountants. In addition, our full range of tax and accounting related commentary keeps business leaders and accountants up-to-date with developments in a multitude of topics and insights from leading practitioners.

WKProfessional

Company secretaries, practitioners in alternative dispute resolution and other business professionals would find our comprehensive range of commentary an important and practical reference. Our professional and popular journals are also available online to keep professionals updated with current developments.

Content Coverage

Legislation

The database contains all ordinances and subsidiary legislation of Hong Kong. Legislative changes are updated weekly. Both English and Chinese versions of the current and previous versions of the legislation are available.

Commentary

Wolters Kluwer is recognized globally and highly valued for its secondary source expertise. Practice area experts provide insight and commentary on laws and regulations. Practical guidance, tips, templates, tools and examples help you integrate content meaningfully from the database into your own practice. Some of the titles in English are also available in Chinese.

Tax & Legal Tracker

Our trackers bring you legal and tax updates and developments in HK and China. They also help you keep track of the updated content on the database.

News

Up-to-date news on law and enforcement is delivered timely.

Cases

The database covers the Hong Kong court decisions from 1974 to present, which includes all decisions made from colonial times to Hong Kong's reversion to Chinese sovereignty. 238 cases decided by the UK Privy Council can also be found. Cases are updated twice every day.

We report court decisions falling within the ambit of commercial law, company law, criminal law, damages, land law, tax law, tort and personal injuries. More subject areas will be added in the future. Our case reports provide insightful summaries of the main issues and points of law of each case.

There are also over 100,000 UK court judgments on the database spanning across different topics.
