Monitors Channels 9

We invite you to visit our Water Works Public Guest Docks. The river was dredged in the fall of 2013, eliminating shallow areas. You are in the center of Vermilion's historical district and within easy walking distance of many quaint specialty shops, groceries, ice, restaurants, fast food, historical homes, overnight accommodations, professional services, the beach and more.

Location:

Just inside the Vermilion River harbor on the starboard side (West) you will find The Vermilion Municipal Water Plant. The docks are adjacent to the water plant.

Dockage

Reservations suggested; contact Dockmaster (440) 204-2474

20 guest berths accommodating both power and sail up to 45 ft.

Dockage Fee: \$1.75 per foot for overnight dockage, with check out at noon. Day tripper rates available upon request.

Vermilion Port Authority Reservation Cancellation Policy: A seven day advance notification is required for any overnight cancellation. If you must cancel within the seven day period, inform the reservations office promptly and they will attempt to rent your dock. If the dock is rented there will be no charge. If the dock remains open, you will be charged a minimum of one night's dockage. Exceptions for inclement weather (small craft warnings, thunderstorms) as determined by the Vermilion Port Authority.

Facilities: 320 linear foot bulkhead with water, electricity, restrooms, showers, and pump out available.

Season: May to mid-October

Along the river, you will find marinas that provide fuel and services, as well as restaurants that cater to boaters' needs.

McGarvey's Landing

McGarvey's Landing features breathtaking views from the Vermilion River boardwalk in historic Harbour Town. Trees, beautiful planters, benches, picnic tables and more provide a wonderful park-like setting to watch boats sail along the river. Public boat docks with showers and restrooms are available along McGarvey's Landing (up to 90' bulkhead space) by Vermilion Port Authority. All Port Authority guest docks are painted white with the top two feet painted a dark, royal navy blue. Many festivities take place at the boardwalk including rubber ducky races, lighted boat parades, and crazy craft regatta.
