

A person is working at a table, likely in a workshop or classroom. They are wearing a light-colored long-sleeved shirt and are focused on a task. The table is covered with various materials, including papers, fabric samples, and tools. A yellow highlighter is visible in the person's hand. The background is a bright blue diagonal shape. The text 'MORE THAN JUST A WORKSHOP' is overlaid on the blue shape in large, white, bold letters. Below the main title, there is a smaller line of text: 'Be a part of the IMPACT, join one of our workshops!'. At the bottom left, there is a logo for 'kitepride' consisting of a square with a white triangle pointing right and the text 'kitepride' next to it.

WE ARE KITEPRIDE

Design your own one-of-a-kind bag and be part of the SOCIAL + ENVIRONMENTAL IMPACT.

The bag you design will provide the woman or man sewing it with safe rehabilitation employment + save fabric from landfill. Join us today and be part of the change!

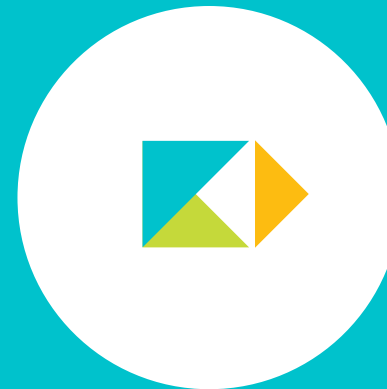

WHY

Thousands of women, men & minors are trapped in forced labour or prostitution today. In Israel there are 14,000 and we believe they should be free!!

WHAT

We create functional bags from used high quality fabrics. Ocean lovers donate their used kitesurfing kites, sails, parachutes & wetsuits rather than trashing them!

HOW

We provide safe rehabilitation employment to women & men exiting human trafficking or forced prostitution referred to us by government shelters & partners.
