Hello.

This week we announced a Micro-Business Relief Program. The program is a \$500,000 grant program awarding up to \$5,000 per Albuquerque based business that meets the set forth criteria. We have received over 1,000 applications and will be closing the application process today Friday April 3, 2020 at 5:00pm MST.

This week we also hosted a webinar to provide current information about Federal, State and City financial assistance and lending programs as well as other resources available to Albuquerque businesses, creatives, and nonprofit organizations impacted by COVID-19. We have posted a recording of the Small Business Webinar online as well as a downloadable PDF of the presentation. Visit our webpage at www.cabq.gov/economicdevelopment

Also available online is a [resource guide](#) for businesses navigating through COVID-19. The resource guide includes information and resources to other COVID-19 financial assistance relief programs, as well as tips for businesses, organizations, and workers. [LINK]
