Introducing **Blacks Fasteners** **New Window Reveal Screw**

WSSFSQGW10080

- **No more bogging huge holes** with Blacks Fasteners all new purpose Window Reveal Screw.
- With its new discrete trim head design and type 17 cutter.
- And your painter mates will thank you as the small trim head design leaves only the smallest hole to clean up. Leaving a nice tidy finish.
- Suitable for use on both window reveal installations and for screwing pre-hung doors.
- Finished in a Class 4 finish for added corrosive protection.

We recommend pre-drill hole in MDF boards to prevent splitting.

*Offer ends 31 December 2020, while stocks last.
