From a lofty vantage point atop Villas Del Mar, the Casa Fryzer villa rental is one of the most unique homes in Los Cabos. The sheer size of the contoured infinity swimming pool with swim-up bar and inset lounging areas is simply astounding. Little could be as soothing as a well-deserved soak in the outdoor hot tub perched at the edge of the cliff. The al fresco experience is rounded out with an outdoor shower, an expansive terrace, a brilliant alfresco dining area, a fire pit, a barbecue, and a pizza oven. Your private chef will be happy to prepare culinary delights to your liking. Indoors, you will find a home theater, wine cellar, office with a pool table, an ocean-view fitness room and Wi-Fi throughout the home. The interior of the Casa Fryzer villa is elegant and capacious. Intriguing sculptures are placed throughout the property and add a sense of whimsicality to the pristine ambiance. Even the large artwork of two swimmers meeting underwater reminds you of the splendor of the ocean. The interior designers of this property spent years carefully curating artwork from around the world to create a stunning backdrop for guests of Casa Fryzer. If we take a look at the state-of-the-art kitchen, it features a lovely center island bar, which is the perfect place to grab a coffee and watch the breathtaking sunrise every morning. Six magnificent and dreamy bedrooms accommodate up to 12 guests and children are welcome. Each of the bedrooms includes an en-suite bathroom, air conditioning, and satellite television. Two suites have direct access to their own expansive outdoor space with a private spa. Often times this provides the perfect opportunity for romance, as several couples have taken advantage of these private quarters. the past. This includes celebrity entertainers and royalty, to Fortune 500 CEOs looking for the privacy and anonymity that cannot be found at traditional resorts.
