## *Captain's Log*

---

All hands this is the Captain!

September is upon us and the season is changing. Cooler temps, changing leaves and a crispness in the air. Well, on holodeck "Autumn 1" program anyway.

This month some fantastic relationships are being developed and grown with other ships in the Region such as the Septarian, Grand Petoskey, Firebird, Vector and Future Imperfect.

We have also grown again. We are up to 17 members now. Shannon has come over from the GP to serve on the NOMAD as Chief Communications officer. Since arriving Shannon has been promoted to Full Lieutenant and is the Editor of this months News letter.

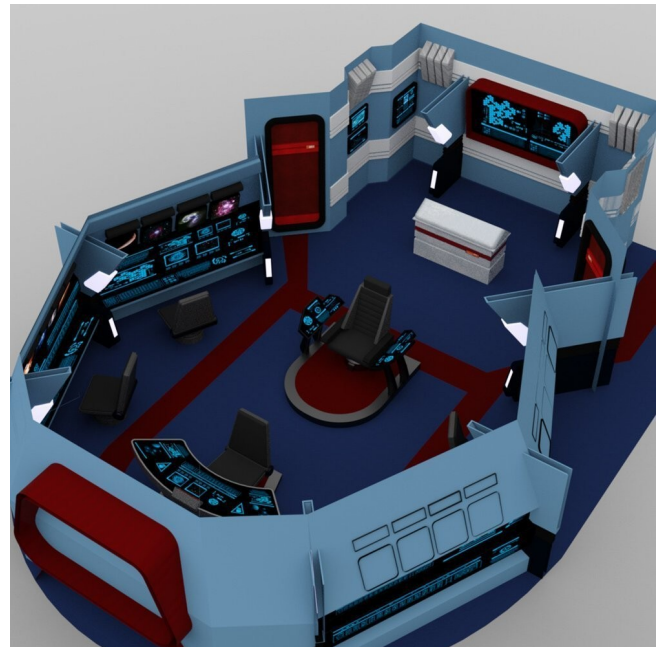

The recruiting challenge is on to the 30th of September. A Playmates Type 2 Phaser is the prize. We are also looking for a host for trivia night or we can rotate through. T'Vel has set up a great discord system and we need to start enjoying together as a team.

The first Club fundraising walk is on the 26th of this month. Everyone that participates, post or send pics.

Currently Septarian is also walking. The Vector has posted it as a club event for the month as well.

Keep up the spirit of Trek everyone. Have fun.

Captain out.

## USS Nomad Discord

To all members who have not had a chance to explore or been given a grand tour of the USS Nomad Discord Server, here is your chance. We are going to have a quick walk through of the different rooms and their purposes.

Our tour will begin in the mess-hall. This is a the commons area of the ship where everyone is welcome to come in and share casual chats, jokes, and memes.

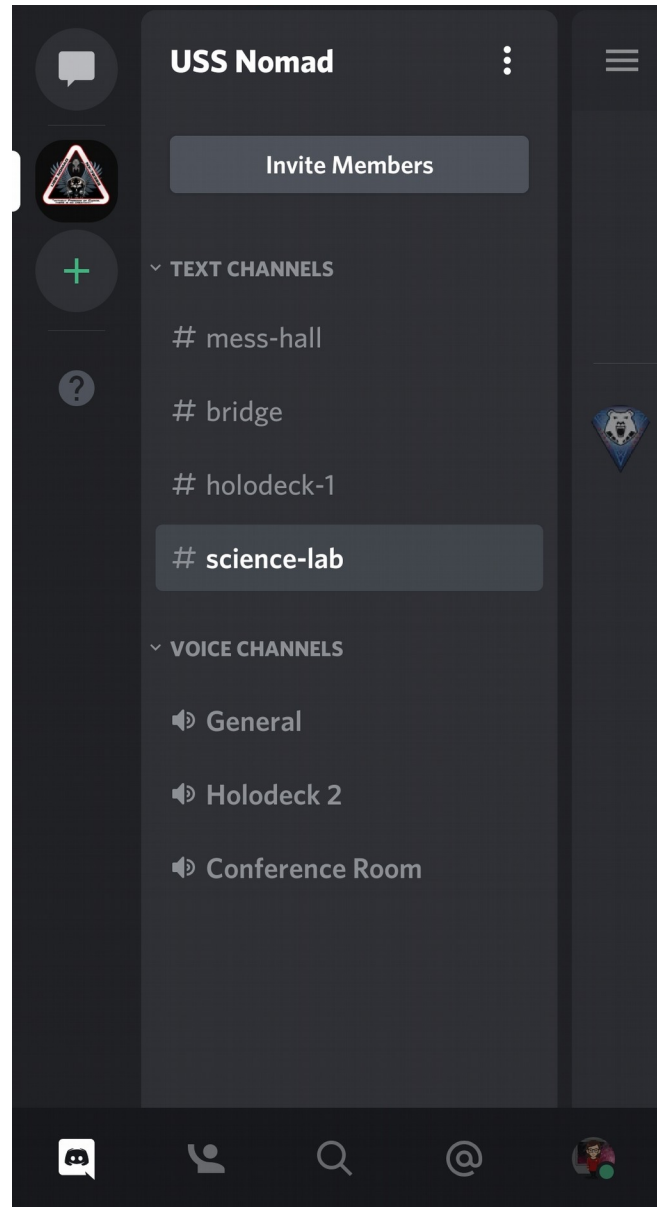

The holodecks are our next destinations. This is the place to show up for fun. Trivia and organized entertainment will be held in these two rooms.

Next up is the Science Lab. Is the place to share articles and information about, you guessed it, science. But a lab is more than just an encyclopedia; it's where you ask questions and explore new possibilities.

Want to actually chat with your crewmates without the making sleep-deprived spelling errors? Come check out the General room. This is the place to hang out and chat with your actual voice.

While we are in the voice channels, we mustn't overlook the conference room for official ship's business meetings.

Last but certainly not least, we end our tour with the magnificent view of the bridge. Here is where you'll find important ship-wide announcements and news.

*Special thanks to Lt. T'Vel for all her hard work and showing me around the server.*

## Crew Spotlight

---

Here in the Crew Spotlight we'll be introducing ourselves and getting to know one another. This month's spotlight feature is none other than Lord Nomad, the XO of our valiant ship the USS Nomad. He was gracious enough to answer a few fun questions below.

### **NAME/NICKNAME?**

Lord Nomad

### **WHAT'S YOUR FAVORITE TV, MOVIE, OR BOOK QUOTE?**

"I find your lack of faith disturbing!" Darth Vader: A New Hope

### **COFFEE OR TEA?**

Either.

### **WHAT'S YOUR FAVORITE SEASON OF THE YEAR?**

Fall.

### **IF YOU COULD HAVE AN EXOTIC/FICTIONAL ANIMAL AS A PET, WHAT WOULD IT BE?**

Bantha.

### **DO YOU HAVE A LIFE MOTTO?**

You do you.

### **IF YOU COULD LIVE ANYWHERE IN THE UNIVERSE (INCLUDING FICTIONAL UNIVERSES), WHERE WOULD YOU BE?**

Endor or Hoth. perhaps a Borg Cube. very efficient. Lol.

### **WHAT FICTIONAL CHARACTER DO YOU RELATE TO THE MOST?**

I find Klingons to be most intriguing. not through the depiction of the violent nature that is shown but through the importance of Honor. so I would have to say Worf.

### **WHAT ACCOMPLISHMENT ARE YOU MOST PROUD OF?**

My time in wrestling.

### **WHAT LED YOU TO STARFLEET?**

With some of my answers I'm sure it's clear the love I have for Star Wars. with that said; I've always enjoyed Star Trek and how revolutionary and diverse that world is. all you have to do is look at the bridge crew from the original series and know that it was light years ahead of its time.
