TEAK WAX

New Brand of Maintenance Product from EuroDesign

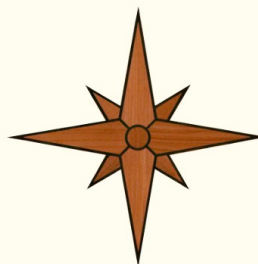

Benefits of EuroDesign Teak Wax :

- Gives the teak a golden color.
- **Protect the teak** from the sun, rain, bacterial and fungal attack.
Keep the teak from drying out.
- **The only wax/sealer you need** : can be used on any type of wood, stone, tabletops, furniture, decking and kitchen counter tops.
- **Respectful with the environment** : 100% Biodegradable and food graded.
Made of beeswax and natural oils.

TEAK WAX INSTRUCTION

How to use :

- Apply a small amount of Beeswax with a brush or a clean dry cotton cloth, evenly on the surface and in the direction of the teak grain.
- Let the Beeswax fill the pores and seep deeply into the wood substrate for about 30 minutes and rub with a clean dry cotton cloth. Repeat this action if it is needed.
- Use a lint-free cloth for best result.
