CLOSEST TO THE PIN: Rhonda Haynes

Ladies, our "Closest to the Pin" Shootout is scheduled for Monday June 29, a 2:00 Shotgun.

We are still taking entries for this three-person scramble that is paying gross and net so we all have a chance to win. This is a whole lot of fun! Get six people...form two teams and play together because we're playing as six-somes! Think of the birdie juice!!!

So here's how it works:

We play at Coronado where all the holes will be par 3's. Yes you will play 18 par 3 holes and have 18 chances to win the closest to the pin. Each closest to the pin winner will go into the Shootout for overall closest to the pin winner. We play in a 3-person scramble format that pays gross and net winners so its two tournaments-in-one! Team can be mixed or all women or all men.

Now we all have a chance to win! This is a fundraiser for our WGA Invitational and we need your support. Get two more people and enter this fun event! An entry form is in the pro shops or contact Rhonda for an email copy or with questions at 925-899-5579 or rhondahsv@suddenlink.net.

PRESIDENT'S MESSAGE:

Well ladies, "second verse same as the first"! We are still unable to open up league play, due to the restrictions and guidelines. The courses are looking great, but this darn rain is sure keeping them wet. I'll probably eat those words in the near future!

When you see a golf course maintenance person, be sure and thank them for they are doing the best they can under the circumstances!

I know you keep seeing the sign-up on total-e, but it's a no go. Rest assured, I am in weekly contact with Tom Heffer and he will notify me when league can begin. Until we can ride two in a cart, there will be no league play according to him. I know I see a lot of groups out on our courses, so at least we are fortunate to be able to do that. I miss you all and look forward to better days!

Donna Mahle

CRUSH CANCER:

Becky Dost

The Liberty Mutual Crush Cancer Invitational at Diamante is still scheduled for September 28, 2020. We plan to reschedule the golf sale and the WGA play day when social gatherings and league play resume. Until then stay safe, remain well and we will see you on the course soon! Stay tuned for updates.

HOLE IN ONE:

Emma Pinson
Robyn Kisling

I hope everyone is doing well! I cannot wait for league to start! I have completed all goals set for cleaning out closets, drawers, pantry and even the garage. Read books, played lots of computer games and have gotten a few rounds of golf in when weather permitted. Sorry, do not have any Hole-In-Ones to report. Please be sure to check your balance on the web page. If you are \$3.00 or below please send a check to Robyn Kisling, 47 Campeon Way.

JUNIOR GOLF:

Wanda Selman

HSV Junior Golf Board of Directors decided the Jr Golf Program for summer 2020 had to be canceled due to the COVID-19 Pandemic. I sincerely hope all League Members will seriously consider volunteering next year. Thanks to all of you.

THINKING OF YOU:

Diana Beene

A Thinking of You card was sent to Rem Moreland (Kathleen's husband). A Sympathy card was sent to Dan Alfson (Ann's Husband) for the loss of his mother.

Thank you so much for keeping me informed. You can email or call me at:

SWAGS:

Rebecca Huber

SWAGS will be celebrating 50 years this year. This is a two day individual senior stroke play tournament held on the Park course of Hot Springs Country Club. It is a statewide event. More details will follow, but for now, reserve September 1st and 2nd on your calendar.

HANDICAP:

Ruth Smith

Although, sadly, league play has not yet been able to start this year it is important that all golfers record their adjusted scores while playing golf in 2020. This year the handicaps will be evaluated and revised daily, as necessary, so when possible, scores as should be entered on the same day they are played. Scores can be entered with the GHIN app on smart phones and pads as well as on home (www.GHIN.com) and club computers. If you choose to enter your score hole by hole the program will make the necessary handicap adjustments. The course conditions will be evaluated by the USGA as the daily scores come in from various courses and any adjustments needed will be made daily by the USGA.

All scores played on any course in HSV should be recorded as a (Home) course. You can contact Ruth Smith, WGA Handicap Chairperson, by text (501) 626-0973 or email ussmiths@suddenlink.net, if you have any handicapping questions or if a recorded score needs correcting or deleting.

Enjoy the HSV's beautiful courses and happy golfing with friends.

Happy June Birthday!!

Even though we may not be able to golf with our friends doesn't mean we can't send them an email or call them on their special day. Birthday greetings go to the following members.
