Archery King - a great simulator archery on android. The game is developed by Miniclip.com, known for hits such as Plague Inc., Rail Rush and 8 Ball Pool. The game has excellent graphics and simple control, which makes the gameplay moderately simple and fun. There are four modes available - Classics, Race, Trials and Game on Time. And if the first two are designed for online competitions, the rest are for a single game. The latter mode is very similar to The Trials, but it uses energy that takes time to recover. Fortunately, the wait can be brightened up by trying your luck in other competitions. What only is the effect of a drunkard at the time of aiming. By and large, Archery King is a worthy candidate for installation thanks to a huge number of levels and online competitions, as well as thoughtful game mechanics. Page 2 Archery Elite - sports simulator with high-quality graphics and simple control offering the user to shoot from classic and composite bow in different conditions. The player will check his accuracy indoors and outdoors. To get into the bull's-eye, you need to aim carefully, pull the string and send an arrow into flight. Successful tasks will allow you to advance on hundreds of exciting levels and use a variety of small arms. Miniclip.com Android 4.1 + Version: 1.0.35.1 \$0 Archery King (MOD, - Miniclip's new timekiller! Compete for archery accuracy with friends, or with players in real time. Try as close as possible to the center of the target, so that you can earn more points and defeat the opponent, but do not forget to make corrections, including wind speed. Updated to 1.0.35.1! Description: Archery King is a archery sports project. Unlike other games in this style, there is a system of alignment with a unique set of goals and landscapes. Good accuracy is paying off, and players can get or build their own perfect bow features that suit all your needs.
