Seeing each side of the curtain gives you a better appreciation for each other, and ensures that you will never get bored fighting again! Fight Revolution 3D - a great colorful having a fight simulator. Very high-quality fights in the big ring with a lot of amazing tricks, where the gamer will have to twist, break the hands and feet of his rivals, the same fighters as him. First, you need to be trained in levels with a mentor. Your teacher will tell and even show the correctness of the use of various effective blows, demonstrate all sorts of finishes, combos and a variety of techniques, skillfully using which force the opponent to lie in the ring for a long time. If you think you are cool and invincible, then look for a stronger opponent. The game contains 10 different modes, giving the opportunity to fight in an iron cage, ten to ten, a knockout fight, the usual training fights and fights with all sorts of impromptu who are near you. All the things and items that were near you in the ring are allowed to take in hand and start your enemy. Despite the dynamic gameplay in Wrestling Revolution 3D not the best graphic effects, to be honest, they are just nightmarish, spoiling all the impressive sensations of the game. Fighters, referee and spectators are not very well drawn, for this reason begins to suffer the game itself, in which there is no desire to play more than ten minutes. However, if gamers love spectacular battles, and graphic effects do not care, let them download this fight and enjoy the gameplay. Looking for some real action as you can control your bulky character in the 3D Revolution fight. Create your own characters as you pick up this amazing fight challenge and challenge your opponents in epic fights. Choose between different tournaments as you help your hero to fulfill your dreams of becoming the best wrestler of all time. Calling all kinds of opponents in epic battles with or without proper rulesFind more about this amazing game with our reviews.
