The GPSC program is established by the Gujarat Public Service Commission. The Commission has the constitutional authority to establish and modify the GPSC exam scheme and to make decisions regarding recruitment, transmission and disciplinary matters. In this article you will find the full GPSC Syllabus for joining the Gujarat Administrative Services and Gujarat Civil Service, conducted by the Gujarat Public Service Commission (GPSC). The GPSC 2020 notification has not yet been issued. Applicants can apply to the 2019 curriculum for details of the same. Any changes to the GPSC program will be updated once the official notification is published. The GPSC exam is held in 2 stages. Stage 1: Preliminary exam (objective type) Stage 2: Basic exam (Written and personal interview) It is important to go through the entire GPSC program carefully so as not to waste time reading irrelevant things in terms of exam. The GPSC exam program is similar to the UPSC Syllabus curriculum; The only difference is that the GPSC program will have topics on history, culture, geography related to the state of Gujarat. Applicants can check eligibility for the GPSC exam. Few important points to note regarding GPSC Syllabus: To address questions on science and technology, according to the GPSC exam Syllabus candidates do not require any specialization from the scientific flow. In the History section, according to the GPSC exam curriculum, candidates should focus on the history of Gujarat. According to GPSC Syllabus, in the Geography section candidates must prepare for the socio-economic geography of Gujarat and India.
