Never improve the restaurant to get a 3-star price. I play often for rent.Download Cooking Fever MOD APK Unlimited Money 5.0.0SWold me to tell you what to say about P. When you start cooking, we start with a certain restaurant, maybe some chocolates will be perfect and will basically give you every section. I have to go through 30 levels with 30 levels and cook some food wherever you go. There are some recipes like burgers, soda, and then when you do more things, I like spices and everything is ready, so it gets a little tricky. Show faster customers what happened there and more customers. Customers who give you more money, what you need to earn, for constant tears. You really have to go through at least one Starbucks to get three stars. Whichever line you reach above level 38 is a success. It can be doubled. The level is more delicious. Cooking Fever MOD APK Unlimited Gold Coins and DiamondsCooking Fever Mod Apk Unlimited Money. Even if you don't play in a restaurant, you can still earn extra points to earn more points. You go more in restaurants. You go to restaurants food from the bakery to the whole restaurants. Chinese restaurants and you lose your job serving different customers and preparing different shapes and I remember the game very well. Chinese restaurant Thai restaurant I know that you combine fast food and you get work experience in the workplace. You have a lot more space to buy, but you will also be able to make an appointment without James. This place is also closed, so this is our example that the fast food court is just our record, you also have a bakery. If you get a game experience, raise the level and increase the extra points.
