PUBG Mobile has gained huge popularity among teenagers recently. Use our PUBG Mod Apk to get unlimited UC and Battle Points on your gaming account. You'll also have aimbot and wallhack features. PUBG MOBILE MOD Apk File Info: App NamePUBG MOBILE MOD FEATURESUnlimited BP UC, Wallhack, Autoaim PlatformAndroid Size115M Version1.0.0 Category Action Root required? No PriceFree Get It on Unlimited UC Unlimited Battle Points Wallhack Automatic Goal Unlock all Skins Rapid Fire Ability No Recoil in Place No Fog in Game 100% Secure (Anti-Prohibition System) PUBG MOBILE MOD APK File works on all versions of Android Easy to use No need to eradicate Android device! By activating this pubg hack, you will have to be able to see enemies through walls and objects (cars, houses, trees, etc.). In addition, enemies will be highlighted on the radar, so you will know where your enemies are on the map. Just be careful when using this wallhack so as not to get yourself noticed. This is less risky than the aimbot, as it is almost impossible to detect. Unless, of course, you keep shooting enemies through walls. It's of course you get banned from the game. But if you play it smart, you can get away in this game without anyone knowing that you are using a hack. Unlimited UC UC means Unknown Cash. This is the main currency in the game. You can use UC to purchase various cosmetic items in the game. The only way to get UC into Pubg is to buy them for real money. There's no other way but our PUBG mod apk. You will get an almost unlimited UC on your game account in just a few minutes. Use them to buy all your favorite skins and impress your friends or enemies in every battle. Unlimited BP Battle Points are one of the currencies used in the game. You get them after every match you play. The number of points you get depends on the number of kills, how long you lasted in the match, and how much damage you caused. You can spend them on your aesthetics appearance. You can change the color of your hair, hairstyle, skin color, outfits, etc. With our PUBG MOBILE Hack, you will get an unlimited number of combat points so that you can enjoy the game to your full potential. Just imagine that endless battle points on your game account. You can purchase any skin you want by showing off to your friends. The gameplay will certainly be better, since having your favorite skin can improve your skills. Aimbot I'm sure every shooter player has heard the term auto-goal, from the good old counter-strike game. This hack does what his name says. You will auto-shoot the enemy even if you have not noticed it. Our hack acts like a real one, player, as he will not be directed at the enemy if he is behind a wall or tree. This way, it won't cause any bad signals to other players, so you won't risk any report. It's important to note that this hack will only work with weapons, it's this auto-target with grenades or something else. Also, you won't have endless ammo activating this mode. If you are careful, you can easily kill at least 15-20 enemies in each match. Using our pubg mod apk is not risky. We have developed a successful method of not being tracked by pubg servers. Unlock All PUBG MOBILE Skins Here Are Some of the Skins which you will unlock with our pubg hack APK: Skins OLIVE BRANCH Weapon - PAN SHARK BITE - KAR98K GOLD PLATE - S686 GLORY - ACM TURQUOISE DELIGHT - KAR98K GOLD PLATE - AKM TURQUOISE DELIGHT - M16A4 SHARK BITE - M16A4 GLORY - UMP9 GOLD PLATE - S12K CLOTHING SKINS MILITARY SKIRT (BLACK) SCHOOL SKIRT CLOTH MASK (LEOPARD) CLOTH MASK (CHECKERED) ZEST CHECKERED SKIRT MINI-SKIRT (BLUE) MINI-SKIRT (PURPLE) FRINGED HOTPANTS About THE game this game has been published and developed by Blue Hole, which is currently further developing Pubg Corp, which is a subsidiary of Bluehole. This shooter game is similar to Garena Free Fire. PUBG means Playerunknown's Battleground. The graphics of this game are going to grab all your attention and the gameplay is terrific. But remember that your phone should have 2GB of RAM otherwise it won't sync properly with your device. If you don't have a game installed on your Android device, you can download it from Google Play right now. You can spend the whole day playing PUBG MOBILE without even realizing it. It's because of the competitiveness that's going to set up inside you to grab a chicken dinner. You can also try out our latest Mod Apk Survival Rules. Gameplay You can play the game as a guest or log in from your social networking site. By logging through a social networking site, you can revive your account at any time. Now you have to choose the cards. In the basic version you can find the map of Erangel and Miramar, but after the update, you can also play Sanhok and Vikendi. There will be 100 players in the match. There will be a small map where you can mark the position where you want to land. You will have to click on the jump option in this position and slide through the air. At the beginning of the game, all players are allocated with a parachute to the island complete with empty hands. All the players are scattered all over the island unarmed and they have to find weapons and they have to use them to kill opponents. The safe zone, when time passes, the safe zone of the island becomes less and less. It also has certain areas to be shelled. The player and his team will receive their rank of the match in order to eliminate them. The safe zone changes randomly in each match, giving players a fresher and more intense experience each time. The player must remember to find the weapon and supply these weapons as much as they can. They move to the safe zone of the island as soon as possible. Rather, Or Squad You can play one, a duo, or a squad of 4 players. You will have to send a request or accept a request from your friends who are on the social network. Or you'll be linked to other random PUBG players through the app. If you play in groups, then when you get shot by any player members of your team can spice you up. If you play it alone, then no one will revive you and you will eventually die if you get shot in the head. PUBG MOBILE Features: Battle Integration Revived Brought down teammates Choose from an available server first or third person Weapon Settings Character Settings Color Blind Support You can also join the disabled matches Get cosmetics like mask, jackets, shoes, glasses, shirts, pants, etc. such as buggies, UAS, motorcycle, van, and more. It also comes with additional tactical target equipment, and it can be purchased in-store combat strategy. The use of tactical gas mask equipment will reduce damage from gas venom. Or you can just use our pubg mobile mod and gas won't affect you. You can also play Standoff 2 MOD. Why use PUBG MOBILE Hack?
