This guide to Far Cry 5 contains tips and tricks that will help you learn the most important elements of gameplay (like fishing). We also included a full presentation, as well as tips for hunting, crafts and trophy guide. This unofficial guide to Far Cry 5 contains a full range of information that will help you learn the most important elements of the game and finish the game. The guide is divided into a few larger parts. The first part is a guidebook that provides tips and tips on the most important game mechanics. Far Cry 5 Beginner tipsThi section opens with beginner tips, where you can find a number of descriptions or solutions to the problems you may encounter. The next few pages contain information about weapons and equipment, crafting, hunting wildlife, recruiting specialists (companions), character progress and fishing. Beginner's tips for Far Cry 5Specialists - a list of all companions in Far Cry 5 and related missions. Here you will learn how to unlock all your companions in the game. Hunting for wildlife - tips beginners capture cult outposts - capture the cult outpost to reduce their effectsfishing - is an optional activity in the game, but if you want Cheesburger to join you you will need something to bribe him :) Q&A The FAQ section is an important part of this guide. There, you can learn, for example, how to get rich quickly, how to get better weapons and vehicles with ease, how to unlock skill points easier and what skills you should buy, how to increase your inventory, how to capture cult outposts, or how to install Changes. A A another important part of this guide. It contains the full list of Far Cry 5 results. Each of them has a detailed description of their own requirements, as well as commentaries on how to make them faster. Far Cry 5 Walkthrough We can't forget to add the full script. The descriptions shall be distributed by hideout. All three main areas of the game world are described in the main missions (the main story) and side missions. The descriptions are complemented by high-quality maps depicting all regions of the world, cult outposts, cult properties that can be destroyed, and the prepper hides all those maps. The aforementioned hideouts also have separate descriptions with images that make it easier to find them. Prologue and Dutch IslandOn Dutch's Island can be found in 5 main missions, cult locations and prepper hides. Check out our video guides dedicated to trophies. ConfigurationControlsSystem requirementsFar Cry 5 is another installment of a very popular action series. This time, the action takes place in a fictional Hope County, Montana USA. The main goal of the game is to stop the fanatical religious cult led by Joseph Seed. Our character must help the local resistance movement and gradually must be a cult. As always, Far Cry Cry It offers a huge open world with a huge amount of additional activities that can be completed between the story missions. Jacek Stranger Fishy (www.gamepressure.com) Next guidebook Beginner tips Author: Jacek Stranger Fish gamepressure.com last update : 2018. FlagView HistoryThe page contains all the article codes you can use for article spawning/name cheat. To spawn items, name your character with 1-3 of the values listed below, which are surrounded by parentheses (for example, you can name your character [611][577][532] if you expect to need them regularly). If you do, items will create one or more of these elements when they refer to your name within the game. Remember, you can also do the same thing when naming an animal you buy, but it only works once. Any Monday, go to the pub and talk to Gus. He'll give you a general greeting first, and then he'll greet you with your full name for the rest of the day. He can be in the drawing room from 12:00 to 02:00 when he falls asleep. It gives you 14 hours to spam Gus and allows you to generate thousands of items on your behalf every Monday. This list of items codes provided by IGN Eric ConcernedApe Barone can be used for batch spawning cheats. 0 Weeds 2 Stone 4 Stone 16 Wild Horseradish 18 Daffodils 20 Leeks 22 Dandelions 24 Parsnips 30 Wood 60 Emerald 62 Akvamar66 Ruby 66 Amethyst 68 Topaz 70 Jade 72 Diamond 74 Prismatic Shard 7 5 Stone 76 Stone 77 Stone 78 Cave Carrot 80 Quartz 82 Fire Quartz 84 Frozen Tear 86 Earth Crystal 88 Coconut 90 Cactus Fruit 92 Sap 93 Torch 94 Spirit Torch 96 Dwarf Scroll I 97 Dwarf Scroll II 98 Dwarf Scroll III 99 Dwarf Scroll IV 10 0 101 Csorba Amfora 101 Arrowhead 102 Lost Book 103 Ancient Doll 104 Elvish Jewelry 105 Chewing Stick 106 Ornate Fan 107 Dinosaur Egg 108 Rare Disc 109 Ancient Sword 110 Rusty Spoon 111 Rusty Spurs 112 Rust Gear 11 3 Chicken Statue 114 Ancient Core 115 Prehistoric Instrument 116 Dried Starfish 117 Anchor 118 Glass Shards 119 Bone Flute 120 Prehistoric Handaxe 121 Dwarvish Helm 122 Dwarf Gadget 123 Ancient Launch 124 Golden Mask 125 Gold Relic 126 Strange Doll 127 Strange Doll 128 Pufferfish 129 Anchovies 130 Tuna 131 Sardinia 132 Bream 136 Largemouth Bass 137 Smallmouth Bass 138 Rainbow Trout 139 Salmon 140 Walleye 141 Perp 142 Carp 143 Catfish 144 Pike 145 Sunfish 146 Red Fish 147 Herring 148 Eel 149 Octopus 150 Red Snapper 151 Squid 152 Alg 153 Green Alg ae 154 Sea Cucumber 155 Super Cucumber 156 Ghostfish 157 White Algae 158 Stonefish 159 Crimsonfish 160 Angler 161 Ice Pip 162 Lava Eel 163 Legend 164 Sandfish 16 5 Scorpion Carp 166 Treasure Chest 167 Joja Cola 168 Trash 169 Driftwood 170 Broken Glasses 171 Broken CD 172 Wet Newspaper 176 Eggs 174 Big Eggs 178 Hay 180 Eggs 182 Large 184 Milk 186 Large milk 188 Green beans 189 Fiddler risotto 190 Cauliflower 192 Potatoes 194 Fried eggs 195 Omelette 196 Lettuce 197 Cheese cauliflower 198 Fried Fish 199 Parsnip Soup 200 Vegetable Medley 201 Full Breakfast 202 Fried Cal amari 203 Strange Bun 204 Lucky Lunch 205 Fried Mushrooms 206 Pizza 207 Bean Hotpot 208 Glazed Yams 209 Carp Surprise 210 Hashbrowns 211 Pancakes 212 Salmon Dinner 213 Fish Tacos 214 Crispy Bass 215 Pepper Poppers 216 Bread 217 Bread 218 Tom Kha Soup 219 Trout Soup 220 Chocolate Cake 221 Pink Cake 222 Rhubarb Pie 223 Cookie 224 Spaghetti 225 Fried Eel 226 Spicy Eel 227 Sashimi 228 Maki Roll 229 Tortilla 230 Red Plate 231 Eggplant Parme san 232 rice pudding 233 ice cream 234 Blueberries Tart 235 Autumn Bounty 236 Pumpkin Soup 237 Super Meal 238 Cranberry Sauce 239 Stuffing 240 Farmer's Lunch 241 Survival Burger 242 Dish O'The Sea 243 Miner Treat 244 Roots Platter 245 Sugar 246 Wheat flour 247 Oil 248 Garlic 250 Kale 252 Rhubarb 254 Melon 256 Tomatoes 257 Morel 258 Blueberries 259 Fiddler Fern 260 Hot Pepper 262 Wheat 264 Radistic 264 Red Cabbage 268 Starfruit 270 Corn 272 Aubergine 2 274 Art ichos 276 Pumpkin 278 Bok Choy 280 Yam 281 Chanterelles 282 Blueberries 283 Holly 284 Beets 284 Cherry Bomb 287 Bomb 288 Mega Bomb 289 Speed Bobber 290 Stone 291 Special Bobber 292 Cheap Detector 293 Standard Detector 294 Twig 295 Twig 296 Salmonberry 297 Grass Starter 298 Hardwood Fence 299 Amaranth Seeds 300 Amaranth 301 Grape Starter 302 Hop Starter 303 Pale Ale 304 Hops 305 Void Egg 306 Majohang 307 Duck Mayonnaise 308 Void Mayonnaise 309 Acorn 309 310 Maple Seeds 311 Pine Cone 312 Spring Pad 313 Weeds 314 Weeds 315 Weeds 316 Weeds 318 Weeds 319 Weeds 320 Weeds 321 Weeds 322 Wood Fence 323 Stone Fence 324 Iron Fence 325 Gate 326 Dwarvish Translation Guide 327 Purple Dye 328 Wooden Floor 329 Stone Floor 330 Clay 331 Weathered Floor 332 Pot 333 Crystal Floor 334 Copper Bar 335 Iron Bar 336 Gold Bar 337 Iridium Bar 338 Refined Quartz 339 Quartz Globe 340 Honey 341 Tea Set of 342 Pickles 343 Stone 344 Jelly 346 Beer 347 Rare Core 348 Wine 349 Energy Tonic 349 Plans : Silo 350 Juice 351 Muscle Remedy 368 Basic Fertilizer 369 Quality Fertilizer 370 Basic Retain Soil 371 Quality Retain Soil 372 Clam 373 Golden Pumpkin 373 Gizmo 374 Gizmo 375 Gizmo 378 Copper Ore 380 Iron Ore 382 Gold Ore 386 Iridium Ore 388 Wood 390 Stone 392 Nautilus Shell 393 Coral 393 Plans: Greenhouse Effect Causing 394 Rainbow Shell 395 Coffee 395 Plans : Big Coop 396 Spice Berry 397 Sea Urchin 397 Plans: Deluxe Coop 398 Grape 399 Plans: Big Barn 399 Spring Onions 400 Strawberry 401 Straw Floor 402 Sweet Peas 403 Field Snack 404 Common Mushroom 405 Wood Path 4 006 Wild Plum 407 Gravel Road 408 Hazelnut 409 Crystal Path 410 Blackberry 411 Cobblestone Road 412 Winter Root 413 Blue Slime Egg 414 Crystal Fruit 415 Stepping Path 416 Snow Yam 417 Edes Gem Berry 418 418 419 Vinegar 420 Red mushrooms 421 Sunflower 422 Purple mushrooms 423 Rice 424 Cheese 426 Goat cheese 428 Cloth 430 Truffle oil 433 Coffee beans 434 Stardrop 436 Goat's milk 437 Red Slime Eggs 438 L.
