Lie detector simulator 2020

Lie Detector Simulator 2020 7.0 Details Lie Detector Simulator 2020 (Package Name: com.knowledgequizgames.liedetector) has been developed by TLA Quiz N Button and the latest version of Lie Detector Simulator 2020 7.0 was updated on October 11, 2020. Lie Detector Simulator 2020 is in the category of Casual. You can check all apps from the developer of Lie Detector Simulator 2020. Currently this app is for free. This app can be downloaded on Android 4.1+ on APKFab or Google Play. All APK/XAPK files on APKFab.com are original and secure with 100% fast downloads. Use Lie Detector Simulator 2020 to prank your friends when you think they are lying. Tell them you can find that it's true or wrong. Lie Detector Simulator 2020 simulates a fake finger print scanner to deliver fake results. Fake lie detector results will be true (real), may or false (false). Ask your friend to tap on fake lie detector simulator scanner and catch your finger. After the simulation, the fake lie detector will make them believe that it tests for lies based on finger prints. Lie Detector Simulator 2020 is a free prank app, it won't really reveal if a person is lying. DISCLAIMER: True or false is not determined by your finger print. This app is a prank app - doesn't really know if someone tells the truth or false. Lie Detector Simulator 2020 7.0 Update Lie Detector Simulator 2020 has been updated!
