To view it, click here. A good Macmillan English book is a six-tier primary English course that meets the needs of today's children. He recognizes that knowledge of English is an integral part of modern life, and that early familiarity with a rich and authentic language allows young students to move confidently towards fluency in the cockpit of spoken and written English. Macmillan English 4 is for children who are willing to use carefully selected and supported authentic materials, as well as develop their reading and writing skills. To improve your experience and make it easier to find and access digital components, we encourage you to access them on Macmillan Education Everywhere. Just go to [www.macmillaneducationeverywhere.com](http://www.macmillaneducationeverywhere.com) log in using existing data or if you have a test builder in your course, you will see that it has been replaced by a [www.macmillaneducationeverywhere.com](http://www.macmillaneducationeverywhere.com) with a different version. This is due to the fact that our current test builders were built with Flash, which will cease to work on most devices at the end of 2020. Year, also check your course page for [www.macmillanenglish.com](http://www.macmillanenglish.com) for sample units or other additional resources. Please note that in a few weeks we will close the Macmillan Young Students Portal. During the week starting October 19th you will be automatically redirected to [www.macmillaneducationeverywhere.com](http://www.macmillaneducationeverywhere.com) please click here to view our useful video tutorials to get started or contact us if you have any questions. Fluency Book 4 helps children develop a natural intonation when speaking English. Language book 4 provides the opportunity to work through basic skills such as reading, understanding, building sentences, grammar and listening. Practice Book 4 Contains Practical Exercises for Language Book Activities. Teacher 4's guide contains a resource to help teachers with each lesson.
