Updated to 2.2! Turbo Driving Racing 3D is a racing game where your goal is to get as far as you can while weaving through traffic. Given the number of cars and trucks blocking each lane, however, it will be far from easy. The controls in Turbo Racing Driving 3D are very intuitive: on the screen you have an accelerator and brake pedals, and to turn the wheel, all you have to do is tilt Android left or right. It may seem like a good idea to drive slowly, so you have the best control and can dodge other vehicles, but that means you miss out on points, since the faster you drive, the more points you get. You can unlock new vehicles with the money that you earn as you play. You can also invest your money to buy upgrades or new layers of paint for cars you already have in the garage. And when you level up, you'll unlock new tracks. Turbo Driving Racing 3D is a 3D racing game with great graphics and fun controls. Featuring a large number of cars and tracks waiting to be unlocked, this game is sure to keep you entertained for a while.
