Percy Jackson is a good kid, but he can't focus on his schoolwork or control his character. And lately, being away from boarding school only gets worse - Percy could have sworn that his teacher before algebra turned into a monster and tried to kill him. When Percy's mom finds out, she knows it's time for him to know the truth about where he came from, and that he's going to one place where he'll be safe. She sends Percy to Half Blood Camp, a summer camp for demigods (on Long Island), where he learns that the father he never knew, Poseidon, God of the Sea. Soon the mystery unfolds and together with his friends - one satire and another demigod daughter Athena - Percy goes on a quest throughout the United States to reach the gates of the underworld (located in a recording studio in Hollywood) and prevent a catastrophic war between the gods. Free Epub Download Sea Monsters (Percy Jackson and Olympians #2) The Heroic Son of Poseidon makes an action-packed comeback in the second must-read installment of Rick Riordan's amazing young readers series. Starring Percy Jackson, half-blooded, whose mother is a man and whose father is God of the Sea, the Riordan series combines cliffhanger adventure and Greek mythology lessons that leads to true pages of turners who are better with each installment. In this episode, Sea of Monsters, Percy sets out to get the Golden Rune before his summer camp is destroyed, surpassing the drama of the first book and setting the conditions for more thrills in the future.
