There are other ways to evaluate the unnumbered. 1. The name of concrete - If the noise can be touched, heard, sniffed, counted, or tasty, it is concrete or straight forward. We use our feelings to identify them. For example: manga, plate, shoes, paper, dog. 2. Fragrance - There are non-humans, animals, places or objects. They're called fragrances. For example: group, committee, judge, orchestra, group, rectum, family, colony, tribe, pedigree, company, troops, congregation. 3. Basal noncon congress - This non-material is not material. It's an idea, a thought or a feeling. For example: love, courage, convenience, dedication, future, energy, honesty, life, trust. To determine whether the word is straight forward, dedicated, or basal. Write the answer to the space. _____ 1. komite _____ 2. katapatan _____ 3. baso _____ 4. libro _____ 5. kongregasyon _____ 6. bata _____ 7. katalinuhan _____ 8. pamilya _____ 9. hurado _____ 10. WaterWriter in line if concrete, fragments, or non-white non-nouns. _____ 1. A group of teachers will meet in the office of the guro. _____ 2. Director. Thelma fed the circles behind the house. _____ 3. Luis showed courage. He saved a young child in a burning house. _____ 4. The judges considered the project of each participant at the scientific fair. _____ 5. Noel was hard-working. Hard work at school will help him to be successful in life. _____ 6. And Gloria bought five baskets of apples. _____ 7. The beauty of our surroundings must be preserved. _____ 8. The community is made up of families. _____ 9. Children made children. _____ 10. Obedience to the law is an expression of love for the city. EmbedDed Size (px) 344 x 292429 x 357514 x 422599 x 487 Display of all sheets, Related with - Tahas Basal Lansakan Worksheets stretched on Filipino, Filipino, non-reference training and street, section 12 4 universal force work, Chapter 2 test form 2a. Click on the pop-up icon or print icon on the print or download sheet. You read the free preview page 2 not displayed in this preview. There are two main types of nouns, proper nouns (nouns) and common nouns (nouns). Common nouns are further classified as specific nouns (nekra), abstract nouns (non-specific) or collective nouns (noncreds). Untested A: This is a list of Filipino collective nouns. Uri ng Panglan: This 15-point sheet asks the student to classify the stressed noun in the sentence as pantangi (proper) or ambalan (general). If a noun is a common noun, the student is asked to classify it as tahas, basal or lansacan. The second page is the key answer. Uri ng Panglanang Pambalana_1: This 20-point sheet asks the student to classify common nouns as tahas, basal or lansacan. The second page is the key answer. Uri ng pangalang Pambalana_1: This is another 20-point sheet that asks a student to classify common nouns as tahas,... Continue reading Pangngalan sheets (Part 4) 4)
