When it comes to getting membership rewards points, you have many Amex credit card options to choose from. American Express offers a wide range of personal and business credit cards with different bonus categories to increase your income. To take advantage of this earning potential, you will need to determine which cards are right for you. Then, with a simple strategy, you'll be on your way to earning serious points and reaping the rewards. Soon you will have enough points to book a family holiday or a luxury trip for yourself. Amex points are transferred to more than 10 airlines and 3 partners in the hotel loyalty program, which makes it even easier to book a trip on points. In this article you'll learn: Why you want to earn Membership Awards points Which personal and business American Express credit cards earn Membership Awards points All other ways you can earn Membership Awards points Now, let's dive into all the best ways to earn Membership Rewards. The Value Membership Awards Points Flexibility Membership Awards Are Points Flexible Points Options For Your Membership Points Point lead to rewards that you can actually use. Here are a few examples: Redeem rewards at any time for any amount for transaction transfer rewards in the loyalty program Amex Travel Partners Transfer rewards between business and personal membership Awards accounts Use a combination of points and cash for travel purchases Have the opportunity to redeem points for cash, gift cards, and more Ease earning Membership Rewards It's easy to earn Membership Rewards points on purchases when your mix of expenses matches the rewards. Each purchase made earns Membership Awards Points Bonus category purchase earn a few Points Membership Rewards per dollar spent General Greeting Bonuses jumpstart your earnings Earn Membership Rewards points through the Amex Offers Bottom Line: Membership Rewards points are valuable because of their flexibility during redemption and the ability to earn points quickly. Personal cards that earn Membership Awards Points SE2 all American Express personal cards earn membership rewards points, but American Express issues these 5 cards that do. You can earn valuable transferable bonus membership points on any of these personal cards: Recommended American Express (Personal) Platinum Card® from American Express - There is currently a welcome bonus of 60,000 points after spending \$5,000 in the first 3 months, worth up to \$600 to travel. However, you may be eligible for a welcome bonus of up to 125,000 points using the CardMatch tool. This is our map #1 access to 1,200 airport lounges around the world (including Priority Pass). Each year we use a card price of \$3,000. Conditions apply. For tariffs Amex Platinum Card fees, click here. American American Gold Card - We love to use this card as it earns 4x points in restaurants around the world, including takeaways and shipping, and 4x outlets in U.S. supermarkets (up to \$25,000 in a calendar year; then 1x. Terms apply). There's no better card in our opinion if you eat outside the house and/or shop in supermarkets regularly. With a welcome bonus of 35,000 points after you spend \$4,000 in the first 3 months and up to \$100 airline loan fee for a calendar year, it's a strong choice. For Amex Gold Card bets and fees, click here. Business credit cards that earn Membership Rewards Points If you have a business, you want to choose the business card that earns the most rewards at your highest expense. American Express has several options. Here are the American Express business cards that earn Membership Awards Points: Recommended American Express Cards (Business) Business Platinum Card® from American Express - Right now, there's a welcome

bonus of up to 75,000 points after you spend \$15,000 in the first 3 months. Conditions apply. See how we get \$5,525 a year, taking advantage of many benefits, including access to 1,200 lounges at airports around the world. For business platinum fares and fees, click here. American Express® Business Gold Card is probably our favorite Amex business card because we earn 4x points in the top 2 favorite categories that we spend the most in each month, such as Facebook or Google ads. The 4x score refers to the first \$150,000 in combined purchases from these 2 categories each calendar year. After that you earn 1x. Conditions apply. For business gold card bets and fees, click here. Blue Business® Plus Credit Card from American Express - This card offers a welcome bonus of up to \$300 back to boost your business. You can earn up to \$100 in credit statements from each of the following vendors: Dell Technologies, DocuSign or FedEx after you make a suitable purchase on your new card within the first 3 months after your card membership. Super simple, with an annual card fee that earns you 2x points on any business purchase, up to \$50,000 a year. After that, the 1x. Conditions apply. This makes for an easy 100,000 points a year. For Blue Business Plus fares and fees, click here. Bottom line: Whether you need a personal card that earns rewards on everyday purchases or a business card with perks and business bonus earning categories, American Express offers a choice with 9 options that earn Membership Awards. Earn a lot of Membership Awards with American Express Personal CardsIntroductory Welcome BonusesThe quick way to earn a lot of membership rewards points is to apply An American Express credit card that earns Membership Rewards, complete the initial expenses requirement, and earn a welcome bonus. All American Express credit cards that earn Membership Rewards points offer an entry bonus, and sometimes quite generous. (It's still possible to find the coveted platinum card 100,000 point intro bonus!) While offers may differ, welcome bonus is usually earned after you complete entry-level expenses in the first 90 days after you are approved for the card. Flights booked by the airlineIf you spend a lot on flights, you will earn a lot of membership Rewards points by booking tickets directly with the airline. Making purchases through Amex TravelMost American Express cards earn a few points per dollar spent when booking through Amex Travel.Earning Membership Rewards points for grocery stores can be very helpful! Image Credit: ShutterstockEarn Points in supermarkets Grocery purchases add up, so it would be a shame to miss out on the rewards for these purchases! Choose one of these American Express cards and you'll make big money on shopping in U.S. supermarkets. Hot Tip: The supermarket category does not include wholesale supermarkets like Costco and Sam's Club.Earn Points at DiningYou may consider picking the tab more often if you earn a lot of membership rewards points for lunch purchases. It's also worth noting that restaurants don't always include diners inside hotels or resorts - ones that are sometimes coded as hotel deals. Earn points at gas stationsYitly earn 2 Bonus points for every dollar spent at U.S. gas stations with EveryDay Preferred Card.Frequent Transaction BonusesAmerican Express wants you to use your card frequently and offers an incentive for frequent purchases. Keep these cards in your wallet to earn up to 50% more Membership Rewards points each discharge period. Bottom line: With so many bonus categories, American Express personal cards offer different ways to earn a lot of Rewards membership.Earn Many Membership Awards with American Express Business CardsIntroductory Bonuses American Express business cards offer lucrative entry bonuses that vary depending on the current promotional offers and the specific card you choose. Just choose a card that suits you based on your spending habits, your tolerance for annual fees, and whether the card offers benefits that you can use. Flights booked by the airlineIf the airline is your highest expense during the monthly reporting period, Amex Business Gold Card will earn 4 bonus points per dollar spent when buying tickets directly with the airline. Book with Amex TravelAmerican Express business cards will serve you well if you spend a lot on travel. Some cards, such as Business Platinum Card, also have premium travel benefits such as lounge access, elite status and much Earn more bonus membership points on the Business Platinum card when you make a major purchase. Image credit: ShutterstockBig SpendThe Amex Business Platinum Card offers 1.5 points per dollar on all single purchase purchases or more, up to 1 million additional points per year. Earn on other business expensesBusiness bonus categories on Business Gold Card to raise earnings rewards on your high business expenses each discharge period. The Blue Business Plus Card ensures that every business expense you make (up to \$50,000 a year) earns 2x points. Earn at DiningThose business meetings over lunch or what office lunch you delivered to the crew should all earn Membership Awards points! Be sure to use a card that earns a few points per dollar spent on a dining room like these. Earning at gas stations Filling the tank can be helpful when you earn membership rewards points. Hot Tip: One of the main advantages of the Amex Business Gold Card is that the bonus categories of earnings are automatic - you don't have to pre-select the bonus categories. Whichever 2 categories have the highest amount of spending each discharge period will earn 4 points per dollar spent. Earnings Rewards on every purchase of every American Express business card we discuss here earns at least 1 Membership Rewards points for every dollar spent on every purchase you make. Additional Ways to Earn Membership Rewards Points Add Authorized UserAmerican Express is sometimes targeted at current cardholders and offers Membership Rewards points to add authorized users. The offer usually comes in the form of an email. Be on the lookout for your personal offer to earn extra Points Membership Awards! Amex OffersYs you can earn thousands of additional Rewards membership points each year with Amex Offers. These offers, which provide great trades and bonus earning potential from some merchants, may be available at the bottom of your account's home screen as soon as you log in. From there you can add special offers to your card to help you earn extra Membership Rewards points. All cards, even cash credit cards, have their own offers - and there are tons of opportunities to use them to build your bank rewards! Contact your friends for American Express cards and earn thousands of Rewards membership points. Image Credit: American ExpressEarn Big With Refer-a-FriendEarn bonus points when you refer to a friend for an American Express card. If they apply and qualify for the card using the link you sent to them, you will get bonus points credited to your account. Contact a friend by logging into your Amex online account to receive and send a special link to the referral. Points vary depending on the card, but both you and your friend will win: a special offer of bonus points for you and a welcome offer for them. Hot You don't have to have the specific American Express card you have in mind and you can earn bonus points while referring to each for most American Express credit cards. Earn Points Shopping in the store and online by linking with Rakuten (formerly Ebates) Image Credit: Rakuten.comRakuten (formerly Ebates) is shopping shopping with in-store and online offers to thousands of merchants. While Ebates and many similar platforms have long offered cash rewards, Ebates is the first partner of the credit card transfer program. Now you can earn Amex Membership Rewards points at the same rates as the cash bank! On our current estimates points, that is almost twice the value. Existing Ebates users cannot convert their accounts from cashback to Membership Rewards. Instead, everyone should subscribe to a new Ebates account on ebates Membership Rewards. You will need to check your Amex account by logging in to Amex. Once registered, you will receive a bonus of 1,500 bonus points for your first purchase of \$25 within 90 days of opening the account. Hot Tip: Using Ebates to shop in-store you need to tie up your credit card and manually activate in-store offers every time you shop. When buying online you don't need to link your credit card though you need to start shopping on the Ebates website. The final ThoughtsMembership rewards are easy to earn when the card you choose matches your spending profile and rewards your biggest purchases. Whether it's through introductory bonuses, category-oriented expenses, or spending on everyday purchases, you'll be on your way to earning a lot of American Express points. Earning a lot of Membership Rewards points is fun, but to redeem them even better. Soon enough, you'll be paying off points for some amazing flight rewards that will take you around the world!
