Link Announcement Pantuhir Capra IPDN Results 28 September 2020 - The Choice Institute of Internal Self-Government (IPDN) has been completed. Participants in the selection were waiting for the announcement of the school's graduation. Fighting to become the candidate of Prudge (Capra) IPDN is not easy. There are a number of elections that must be taken before finally officially announced to hold a predicate IPDN Praja candidate. Link Ad Capra IPDN 2020 Choice Capra IPDN 2020 aims to select ipdn candidates who have quality. As a service school, it is very important for potential officials to have a sufficient knowledge and skills base. In addition, to support success in the study, it is necessary to have excellent healthy and psychological abilities that can develop potentially. Another condition established for a promising Praja is the obligatory to have the integrity and honesty of yourself that trust and be able to communicate effectively. Praja candidates should also be ready to work if they are deployed throughout the NCRI region. Can't wait to see the results of the Capra IPDN selection in 2020? Mamikos will provide information along with the ad link. Ipdn 2020 Ipdn 2020 The process of accepting candidates information and steps that must be taken before he can become a candidate ipdn praja is quite difficult. Potential participants must follow the rules and follow all stages of the test. If participants fail or fall on one of the tests, the participants will not be selected. Because the ipdn selection system in the selection of presidential candidates (SPCP) uses a knockout system. As for the type of tests conducted among others. Basic Competency Test (SKD): performed using BKN's CAT (Computer Assessment Test). Phase I health test: conducted at Bhayankara/Biddockkes POLDA Hospital. Psychology Integrity test: conducted by the Bureau of Human Resources Pold. Pantukhir: actual verification of documents submitted for registration, health tests ii phase, as well as tests for equality and appearance checks The requirement to register as a prospective IPDN 2020 can be performed by Indonesian citizens (Indonesian citizens) with a minimum age of 16 (sixteen) years and a maximum of 21 (twenty) years from 31 December 2020. However, there are additional requirements for male applicants, the minimum height is 160 cm, while for women the minimum height is 155 cm. Once they meet the general requirements, applicants will also have to meet the administrative requirements. There are documents that need to be listed and other data in print. For easy charging, there is a video tutorial on the SPCP IPDN website that you can see. Special requirements for applicants must also be met. These requirements include before becoming a candidate Praja and the requirements after having been accepted as a Praja candidate before graduation. Study. The selection of candidates for the Ipdn 2020 competition, which will be accepted for school service, is not easy. In addition to having to pass strict screening, the school also limits entry quotas. Same IPDN. For example, the quota of candidates in 2020 only from West Papua is limited to 31 people, while for the province of Papua it reaches 63. However, the quota for other provinces in Indonesia can reach 1,200. A more detailed explanation of each province's quota can be found on the official ipdn website. The quota picture may be your motivation to be more active in the fight. Just one step away from stanbrain will be a candidate for IPDN 2020. In the ipdn final definition of the 2020 test there are a few things that stanbrain friends need to know in order to successfully pass the selection. Before we discuss we will first consider let's talk about IPDN for a moment. Sekolah Kedinasan IPDN is a service college under the auspices of the Ministry of the Interior (Kemendagri). To become an IPDN student, you must successfully pass a number of tests set by the ipdn registration party. IPDN Stage 2020 IPDN Selection Stage, which you must pass as follows: The Selection.Loss SKD CAT Choice Administration from BKN.Finded to pass the ITest Health Psychology, Honesty and Integrity Review (Pantukhir) IPDN 2020 selection stage. Well, in order for you to successfully become an IPDN student you have to successfully pass at every stage of the yes mate selection, don't let you die. Because the school admission system uses a knockout system at every stage of the selection process, so it should be well prepared. Pantukhir IPDN 2020 Test Preparation 3 Is good because has now reached the final definition stage, stanbrain buddy who managed to pass we congratulate you. Stanbrain's teammates can immediately prepare for the next one to qualify. Instructions for implementing the Phase II health test for screening participants who will face a Phase II health test at IPDN 2020 on Monday, September 21 to September 23, 2020. Prepare immediately and understand the instructions for implementing the Phase II health test at the height of the Covid-19 pandemic. You must bring a member's ID and ID card (original KTP/KK or legalized copy). He arrives at the training ground at 6:30 a.m. local time. Wearing a white long-sleeved shirt and dark pants/skirts, bring a simple white T-shirt, dark-colored shorts for men and long training pants for women. For those who use hijab can customize themselves. Bring the results of the Non Reactive Covid-19.Ening fasting (can only drink water) on September 20, 2020, starting at 10 p.m. local time until the blood collection time at the site of the Phase II Health Test on September 21, 2020. So make sure you bring the results of a quick test from the reactive and fast to taking a blood sample. The actual verification of the administration's registration documents is good at September 23, 2020 it is on Wednesday after the second stage of the medical test. Stanbrain's friends are required to bring a file of documents such as holding a card.Emission test lokas 06.30 local time.Breng rapid testing Results of non-reactive Covid-19.Fakt background Check Requirements Documents to be delivered is the original document downloaded among others: Original ID card-el or copy for participants aged 17 years.Photo copy KK, which legalized official permission and residence certificate or application for KTP-el who does not have an ID card)Sma/MA AsliPas 4x6cm color photo as much as 6 pieces standing forward and not wearing glasses, and wearing a white shirtDownload of biodata potential participants here - Papua Indigenous Information (OAP) for participants from Papua and West Papua provinces, provinces signed by the head of the regional/urban personnel agency respectively and knows the Chairman/member of the Papua People's Assembly (MRP). The above documents are inscribed in a red folder for male participants, and the map is blue for female participants. Documents are brought and submitted to the committee at the time of the final determination of the participant. Well, before you leave make sure you have the fullness above yes buddy stanbrain. The Equality Test and Eke Performance Exam, reached the final stage in the final test of the determination, which is an equality test and the appearance of the exam to be held on Thursday, September 24, 2020. As before, participants must bring a participant card and ID (original KTP/KK/legalized copy) Bring quick results of the non-reactive Covid-19 test (mandatory). Come to the location/sports ground where the test is held at 05:30 local time. The equality test will start at 06.00 WIB. During the equality test should be guided by health protocols such as wearing hand sanitizerRefed hand sanitizer equipment among others: Equality Test Sportswear in the form of white pants and T-shirts Sports shoes with white socks (not allowed to use spike shoes, football, etc.) Do not use excessive accessories (watches, necklaces, rings, etc.) . Just keep it so it doesn't bother when the equality test is a yes mate. Consideration of women's appearance, wearing sleeveless swimsuits and not hijab shaped swimsuits or skirts. This is a small piece of information about the Pantukhir IPDN Test 2020. So be careful that some requirements, such as collecting tasks, are incomplete, etc. Make sure not to rush me.
