We have many important safety messages in this guide and on your device. Always read and obey all safety messages. This is the security alert symbol. This symbol warns you of potential dangers that may kill or hurt you and others. All safety messages follow the safety warning symbol and the word DANGER or WARNING. These words mean: You will be killed or seriously injured if you do not immediately follow instructions. You will be killed or seriously injured if you do not follow the instructions. All safety messages tell you what the potential danger is, tell you how to reduce the risk of injury and tell you what can happen if the instructions are not followed. \_MPORTANT: \_nstaHer: Leave the installation instructions with the homeowner. Homeowner: Save installation instructions for future reference. Keep installation instructions for using local electrical inspectors. \_MPORTANT : \_nstaHateur : Remettez les instructions d'installation au propriétaire. Proprietary: Conserver les instructions d'installation pour référence ultérieure. Conserver les instructions d'installation pour consulter par Hnspecteur local des installations électriques. 8303648 8303648
