If an internal link has brought you here, you can change the link to point directly to the intended article. Received from Comments Share Golden Ticket, as seen from the 2005 film. A golden ticket is a pass that allows the owner to get to the Willie Wonka chocolate factory. Five gold tickets were hidden in Wonka Bars and shipped to countries around the world. The search for them turned into a worldwide mania, and every ticket find was a sensation for the press. The five children who eventually found them were August Gloop, Mike Teavee, Charlie Bucket, Veruca Sol and Violet Beauregard. The ticket says much more than you could logically fit on it: Hi you, happy to find this golden ticket, from Mr. Willie Wonka! I'm shaking your hand warmly! Huge things in store for you! You will find a lot of wonderful surprises! At this point, I invite you to come to my factory and be my guest for a whole day - you and all the others who are lucky enough to find my golden tickets. I, Willie Wonka, will guide you through the factory, showing you everything you need to see, and then when it's time to leave, you'll be escorted home by a procession of big trucks. These trucks, I can tell you well, you will be loaded with enough delicious edibles to last you and your entire family for years. If at any point after that, you have to run out of supplies, you only need to go back to the factory and show this golden ticket and I'll be happy to refill your closet with what you want. This way you will be able to keep yourself supplied with tasty pieces for the rest of your life. But it's not the most exciting thing that happens on the day of your visit. I prepare other surprises that are even more wonderful and even more fantastic for you and for all my favorite Golden Ticket holders - mystical and wonderful surprises that will seduce, delight, intrigue, surprise and You're over-measure. In your wildest dreams, you couldn't imagine that such things could happen to you! Just wait and see! And now, here are your instructions: the day I chose to visit on the first day of February. On this day, and on no other, you should come to the factory gate at ten o'clock sharp in the morning. Don't be late! And you can bring along one or two members of your own family to make sure you don't get into evil. Another thing - be sure to have this ticket with you, otherwise you will not be allowed.
