APK files are raw files of the Android app, similar to how .exe is designed for Windows. APK means Android Kit Package (APK for short). This is the batch file format used by the Android operating system to distribute and install mobile apps. In 4 simple steps, I'll show you how to use Highlight Cover Maker.apk on your phone once you've done it download. Step 1: Download Highlight Cover Maker.apk on your device You can do it right now using any of our download mirrors below. Its 99% guaranteed to work. If you're uploading an apk to your computer, make sure to move it to an android device. Step 2: Allow third-party apps on your device. To install Highlight Cover Maker.apk, you need to make sure that third-party applications are currently included as the source of the installation. Just go to the menu for the security settings and check unknown sources to allow your phone to install apps from sources other than the Google Play Store. On Android 8.0 Oreo, instead of checking the global setting to allow installation from unknown sources, you will be asked to allow your browser or file manager to install APKs on the first attempt to do so. Step 3: Goto Your File Manager or Browser Location Now you will need to find highlight cover maker.apk file that you just downloaded. If you prefer, you can also download the file manager app here, so you can easily find files on your Android device. Once you've found the Highlight Cover Maker.apk file, click on it and it will start a normal installation process. Click Yes when asked for anything. However, be sure to read everything on the hint screen. Step 4: Enjoy Highlight Cover Maker is now installed on your device. Enjoy! Are APK files safe? Ignore any rumors or site that says otherwise. APK files are usually as secure as the .exe Windows PC file, hence the most important thing to note is that you should always download it from trusted sites. You usually don't have anything to worry about as we have provided some of the safest sites in our Apk download mirrors below. Thanks for reading this tutorial. Download the app below!
