In it, the user will explore fantastic worlds through special portals, as well as fight monsters and huge bosses. Also here you need to collect resources to create new items, including weapons and armor. In addition, you can create a huge building and customize the character. Beautiful graphics, open sandbox worlds with unique landscapes and local multiplayer for 4 people will give an unforgettable experience of passing. Portal Knights - Cubic Sandbox with elements of role-playing game, which we were presented on mobile platforms by famous developers from the studio 505 Games Srl, familiar from such a masterpiece as Terraria. According to the story, in some peaceful kingdom there was a catastrophe, which led to the split of the world into numerous islands. Survivors were forced to leave their lands, and instead settled demons and all sorts of monsters. All parts of the world are united by an ancient magical portal through which our hero will travel and look for answers to what is happening to eventually connect the planet into a single whole. Gameplay in Portal Knights for Android includes exploring places where you need to find useful items and resources. Coming into life, you you scrape off rare things, weapons, equipment and so on. Of course, you will have to build your unique castle and equip it according to your vision. At each level on the portal of knights player will wait for a variety of dangers, enemies and materials, so often look at the gate to find the necessary ingredients for Kraft. You also need to complete quests for which the reward is in the form of experience points. Use them to improve performance. The graphics here are gorgeous, as in Minecraft, but smoother and more realistic. All fans of the Cube Adventure must download and play for free on your Android phone or tablet; you won't be disappointed. Download APK Size: 37Mb Download Cache Size: 464Mb ShareGoogleTweetPinterest Portal Knights APK is an action-packed adventure game rated as the perfect hybrid between Minecraft and the legend of zelda. Create your own adventure, develop heroes and become the strongest portal of knights. If you're tired of Minecraft, you can try this game. You should know that this game is a role-playing adventure game that combines the style of Legends of zelda and Minecraft. This game is released Games are free on several platforms, including PC/Mobile. Despite the fact that it is a paid game, the game still has a large number of Players. Table contentif the big difference, Portal Knights does not have a mission system, reward or plot guide. This game is completely open; You will have to study everything in the game after entering the game and complete the new player instructions. Gradually, you will become stronger through experience, destroy the boss, collect materials, increase your power, and then explore more land and earn more equipment for yourself. Especially in Portal Knights, this game is a mixture of famous games such as Minecraft and The Legend of zelda. In this game you will explore, use and manually create everything in the open world. You will move freely to different places, collect resources for yourself, build works, create the necessary items. However, this is only a small part of the gameplay of this name of the game. Play, fightPortal Knights also allow you to participate in the fight against the mysterious monsters that exist in the world as to play action. As an RPG, the game will require you to develop your character in all aspects, from level, equipment and skill to being able to survive in a world where monsters are extremely dangerous. During the fight, you are free to use the hack and break the system of this game. You can easily dodge attacks, counterattacks and create the perfect fight. Especially since this game is focused on all objects of different ages, so the fight in the game will not be bloody, violence, it is so humor, fun. There are 3 class characters to choose from, including warriors, magicians and rangers, in which each class of characters has its own special skills that can be run continuously. Co-op mode for 4 playersYwa't alone when playing Portal Knights. Co-op mode allows four players to work together, build together, explore the world and work together to destroy the strongest bosses. In this mode, you and your friends will need to use the same Wi-Fi network. Of course, if you don't like having friends, you can go out alone. Who says one thing's not good? Minecraft and the legend of the graphics of zelda in terms of graphics, Portal Knights still offers 3D graphics based on the shape of the box, but much prettier than Minecraft, adding to the familiarity with the legend of zelda. The movement of characters and other items in the game is extremely smooth, neat. Key features Portal KnightsExplore many different locations in the huge 3D worldJoin battle hardTransformed into a powerful system warriorBoss diverse, challengingExploit and collect resourcesSupport built for several languages VerdikFost, i see portal knights as a pretty neat little game that was quite attractive to fans of RPG, Minecraft, legend of zelda, and casual gamers. Impressed by the open gameplay, explore and create RPG combinations. You can't imagine what's going to happen. The Knights of the Portal deserve to appear on your device, open but open, open, You ready? Download the game to find the answers. Download Portal Knights APK for Android (Latest version) Portal Knights - this is an exciting role-playing action from 505 Games, where you can freely explore the open world from the procedurally generated islands. The story here is simple, but it is quite interesting. According to the story in the game world there was a terrible cataclysm, so it is now inhabited by bloodthirsty monsters, which were unique creatures in the past. All evil spirits are united by magical portals. In the center of the plot is a knight whose vocation is to unite the worlds and defeat the forces of evil. Features of the Knights Portal: a huge world with many unique places. A large number of puzzles The ability to choose a class of a hero with unique features. Random events Strong and interesting bosses: - exciting tactical battles: - You can get a pet. An opportunity to build your own castle.
