For a long time, special detective films have become for many irreplaceable spiritual food. There are some fans who are interested in heroic battle scenes. They said that by watching these scenes, the passionate detective was taller than ever. Some people are more interested in logical reasoning. So many entertainment products have been created with different stories to meet the needs of all the detectives in the world. In terms of games, there were a lot of games with detective genres and enthusiastic support from fans. However, this game is still picky with players because its gameplay is more complex than the current game lot. It has no combat scenes, continuous high RPG skills such as RPG games, ever-changing gameplay like casual Voodoo games or even less exciting games like match-three puzzle games. King. On the other hand, it has its own attractions. You have to have a very broad view with great tenacity, so you can capture very small details lurking in the dozens of objects that overlap. After finding the evidence, they must find ways to put them together to find the final answer. Perseverance and intelligence are important elements in this game. The results obtained after a long time of understanding and reasoning will make you satisfied with your efforts. According to those who regularly play games, this category has two titles worth trying. Doctor Who is a series about the adventures of a doctor traveling through many dimensions of space and time. Cases are constantly solved, the mystery is revealed through each game, has become well acquainted with the fans. Playing this game is like reading an interesting detective story. Side by side, the Cube Escape series also featured in the game consistently, not letting the player wait too long. Recently, a sequel to the series was released by publisher Rusty Lake to promote registration for its latest game Cube Escape: Paradox. So the new adventure is open, so you can try your luck. If you know the name for the first time, feel free to try this series by downloading your previous sections for testing. Cube Escape: Cube Escape: Case 23, Cube Escape: Theatre, ... takes a very high place, almost 5 stars. The last game is the 10th product in the series, and promises a new story rather than a previous success. You will in turn unwrap the mystery of Rusty Lake in this route. Obviously, Rusty's game is always grim, horror and violence, so you need to consider before you play. This time the infamous Detective Dale Vandermeer wakes up in a suspicious room and knows about his past. Though not remembering the memory, but the sharp sharp always lets him know that he is in danger. You are noticed in a whirlwind, pre-arranged game of old enemies. How to get rid of a strange room and restore your memories? Only persistent players can answer this question. Now you're ready to download Cube Escape: Paradox for free.
