The TNPS Group 1 exam is a public-level administrative services exam conducted by the Tamil Nadu Public Service Commission. Candidates preparing for the TNPS Group 1 exam will find relevant TNPS training materials in this article, including NCERT books/notes and current affairs collections for exams in 2020. The TNPS Group 1 exam is similar to the UPSC IAS exam, and there is a convergence of the curriculum as well. Recall that the provisional deadline of TNPS Group 1 Prelims 2020 is postponed, and the revised terms have not yet been determined. However, candidates preparing for this year's exam should continue their preparations using the TNPS's training materials mentioned in this article. Understanding the exam pattern and curriculum is very important so as not to waste time reading irrelevant content in terms of training TNPS or UPSC. For reference, candidates can check and compare between TNPS and UPSC. TNPS Research Material Applicants should know that strategies for preparing for UPSC civil service exams and public PSC exams differ only in the sense that in public exams, candidates should study topics from the state's perspective as well. The recommended starting point for the preparation of TNPS is the books of the State Council (class 6-12). Here is a list of TNPS books in Tamil for to prepare The Tamil State Part. State Council of Books: Social Sciences (6-10) Politics, Geography, Economy (11-12) Indian Culture (Book of the 12th Class) Science (Review of Important Chapters) History Book of Tamil Nadu – J Dharmajan India Arasamaippu - Shankara Saravanan Athiga Mathippen Pera Ariviyal Vina Vidai - VN Girija TNP Group 1 Books - VVK Subraju as books to prepare the CPSC. Geography - Majid Hussain Economics - Ramesh Singh History - Bipin Chandra Polity - Laxmikanth During TNPS training, applicants may come into contact with several terms or topics that may confuse them or need more clarity. For such topics, we compared 100 differences between articles that you can find in a related article. Candidates can download this list of TNPS/UPSC books: UPSC/TNPS list of books:- Download THE PDF Here In addition to the Public Books Board, candidates must refer to NCERT books. You can download the subject NCERT PDF book from a related article. NCERTs are the recommended starting point for a UPSC civil service exam because they contain reliable information in a clear manner and they are good for understanding basic concepts. Preparing for civil service exams requires dedication, motivation and a good strategy. Simply reading the recommended books is not enough, given the level of competition. Applicants must take notes and coordinate them with the relevant TNPS's current affairs curriculum. Here you can find NCERT Notes to prepare TNPS: Also find statehood, statehood, Environment, as well as Science and Technology notes for the holistic TNPS training below: Polity Notes Of The Environment Notes Science notes and Technology Notes These notes can help for both the UPSC and TNPS Group 1 Exam Preparation. TNPS Preparation - Using current affairs in recent years, more and more questions in the UPSC IAS exam are coming from current affairs. Even so-called static areas are now associated with events of national or international importance. Daily reading of newspapers is important for both the UPSC exam and the TNPS. For the convenience of training, candidates can find a daily Video Analysis of the Hindu here. Other important sources of TNPS in current affairs are: TNPS Group 1 Training Material - It is noted that the 2020 Group 1 (Prelims) examination was scheduled for 5 April 2020, but has since been postponed indefinitely. No new dates have yet been announced. However, this gives candidates ample time to revise the topics already explored and to prepare some important new topics. The best source to do is to see last year's prelims issues and find out relevant topics that will be explored before the 2020 prelims. We will provide you with topics that have been asked in the past and a few related topics that can be asked in TNPS Group 1 prelims 2020. Such topics are common in nature and overlap with the USCN curriculum. For other state exams, check out the related article below: The government's latest notification of exams The Government Schemes Applicants are preparing for several public exams can pass articles for the important PSC exams below: Every year the Tamil Nadu Public Service Commission (TNPS) conducts hundreds of exams to garner thousands of public services. TNPS conducts different exam stages for different classes of service. The multi-purpose assistant of the deputy collector is selected with the help of these exams. Most of these TNPS exams have a common curriculum, only the level of the subject varies. First books to prepare TNPS become the book of Samacher Calvi. They are the best books for TNPS TNPS Once you're clear about the basics of Samacheer Klavi's books, then you can start reading from other sources, try to start reading from standard tutorials before moving on to any coaching materials class. Get a higher rank on the TNPS Exams-Download Entri App now! Books for TNPS Preparation for Exams 2019 Read Samacheer Kalvi Books from Grade VI and beyond. This is the only book that covers all topics in the General Research section. Don't limit your reading to social science textbooks, science books are also important. Most of the questions are directly drawn from the books of Samacher Calvi. If you are preparing for Grade I and Class II services you can contact Laxmikanth for Polity. The textbooks of the Council of State will be sufficient for all other services. For the quantitative abilities section, R.S. Agarwal along with mock tests will suffice. For general knowledge, Arihant Publications General Knowledge Books would be ideal. Aricant's book is in plain language and a must-have book for the contenders. Any of these examinations require four months of ongoing preparation. TNPS GROUP-4 POSTS Along with the book Arishant's General Knowledge you need to read newspapers. Hindu, Hindu Tamil or Dinaman newspapers would be excellent for your preparation. TNPS General English by Sakthi Publication along with textbooks is sufficient for the general English section. English issues would be the standard of Matriculation for all these services. Try to solve the earlier question papers and try to layout the tests to evaluate your preparation. Don't try to mock the tests last week, solve the tests along with your training. There is no need to solve the issues after 2013, as it has a different program.
