Grand Theft Auto V is a 2013 adventure game developed by Rockstar North and published by Rockstar Games. It is the first major entry in the Grand Theft Auto series since 2008. The story of one player follows the three main characters of a retired bank robber Michael De Santa, street gangster Franklin Clinton and drug dealer and arms smuggler Trevor Philip and their attempts to commit a robbery, under pressure from a corrupt government agency and influential criminal figures. The open world design allows players to roam freely through the open countryside of San Andreas and the fictional city of Los Santos, based on Los Angeles. The features of GTA 5 no checking APK free download for Android Grand Theft Auto V is the first game in its series, on a campaign featuring several main characters. With great ingenuity, the game moves the player from one character to another, so that their personal stories intersect and affect each other. This adds depth and complexity to the plot and makes the experience enjoyable. The open world of GTA V is as big as GTA: San Andreas, Red Dead Redemption and GTA 4 together. With two villages, a lake, mountains and different types of landscapes, the world of GTA V is as diverse and huge as it is gorgeous. Grand Theft Auto V includes multiplayer mode: GTA Online. Create an avatar and live in Los Santos, completing missions to get money, buy apartments, buy cars and live a luxurious life. GTA 5 Heists are like those great mission campaigns in which you have prepared your characters to shoot spectacularly. The delays are the same, but with two minor differences: you'll take pictures with other players, and the results will be even more impressive. Be prepared to improvise, release tacos, and experience intense shoots. When everything is done, you want to repeat. You want to survive again and then tell the story to your friends. The most impressive thing about this game is the huge amount of work and attention to every detail of the game. Everything in the fictional state of San Andreas, from the tallest building to the smallest element of the house, from the ocean with the colors of the park, the complex network of roads and streets, inside the vehicles you drive.
