Students here are doing about year-on-year academic improvement, ... The more this school has above-average results, how well it serves disadvantaged students, and students do above-average state tests. Students at this school make average academic success, taking into account where they were last year, compared to similar students in the country. The average success of high test scores means students have strong academic skills and students at this school are learning at the same rate as similar students in other schools. Parent tip Test scores at this school are well above the national average, which indicates that most students at this school perform at or above the class level. Parent tip Show more Test scores Notice something missing or confusing? Equity disadvantaged students at this school are better than other students in the country, although this school may still have achievement gaps. Parent Tip Student Results Percentile Low Income and Underserved Students All Other Students in School ENVIRONMENT School List Name Grade Teacher School Year 6 All 6th-2021 7 All 7.
