Here's a new game for Android and iOS devices! If you're fascinated by action, try star wars: Galaxy of Heroes MOD APK (Unlimited Crystals/Credits). With our Mod you will receive unlimited crystals and credits on your game account. You will also unlock all characters available in the game. Aplikacja NameStar Wars: Galaxy of Heroes Mod Apk MOD FeaturesUnlimited Crystals & Unlimited Credits. Unlock all characters. Infinite Points XP PlatformAndroid Size78M Version0.20.590449 CategoryRole Playing Root Required? No PriceFree Get it on Star Wars: Galaxy of Heroes MOD Features: Unlimited Crystals Unlimited Credits Unlock all characters Infinite XP Points Free to download completely safe Compatibility with all versions of Android Star Wars: Galaxy of Heroes Mod APK file is very easy to install Autoupdate No need to root your Android device! You can also like our FULL METAL MONSTERS Mod Apk. Unlimited Crystals Star Wars: Galaxy of Heroes main game used currency are crystals. They have more tools. First, only crystals can be used to purchase chromium and bronzium data cards. Data cards can be used to trade for shards and characters. Crystals are then used to buy energy, ship items, and reset cooldown timers. Now, there are several ways to get crystals in limited quantities. You can even buy crystals for real money. The easiest way is to complete daily activities, win battles, collect achievements, play squad arena daily. However, if you don't want to spend real money on crystals, we have a better option for you. With Star Wars: Galaxy of Heroes Mod apk, you will receive all crystal packs from this game. Unlimited crystals will help you tremendously. When you play PvP, you can get the best items, have full energy, and use the best characters. Use this mod and fill up your resources immediately. Unlimited Credits Is the currency of the second game called Credits. Credits are just as important as crystals because they help the stars and the level of your characters. For this you need millions of credits. You can earn free credits by winning galactic wars, ending events, and so on. Credits are not cheap to buy with real money. The best solution to add large to unlimited amounts of credits is of course by using a hack. Our Star Wars: Galaxy of Heroes mod APK is safe and working. It will propel your characters. Imagine that you use this fashion, you will no longer have to fight with resources. You can spend credits even on less important items and still have a full coin bar. Equip your characters with the best items and star them to the maximum level. You can download and play Warriors of Waterdeep APK as well. Unlock all characters More and more characters in Star Wars: Galaxy of Heroes MOD apk is a bit tricky. From the first or second hour of the game you will see Upgrade. You can starve to improve your characters to add more for better gameplay. Chards data are the main important elements used in trading for new characters. There are 2 types of Bronzium data cards and chromium data cards. However, these cards are quite expensive. The simplest and best solution has just come out. Download Star Wars: Galaxy of Heroes Mod Apk and unlock a list of all your favorite and new characters from your beloved Star Wars movie. The following list contains only a few examples from the large list of characters that you will have access to. Ahsoka Tano Darth Maul Darth Vader Jedi Knight Anakin Luke Skywalker Infinite XP Points As you surely know, promotion in Star Wars: Galaxy of Heroes requires XP. Different levels, different amounts of experience points. This means that the more XP points you have, the more levels you unlock. Star Wars Galaxy of Heroes has infinite XP points. This Star Wars: Galaxy of Heroes MOD APK will increase your game to the final level. You don't have to go from level 1 to the last level. You can skip the levels as you have the necessary XP. You usually need to complete daily activities to earn experience points, such as 40 XP from three battles. This thing is time consuming. Enjoy the game with full XP bar. Features of the game It is a free mobile game in which you can play at a convenient time, but you can certainly offer you cash payment in currency. The main goal of the game is to increase the level and can give you the opportunity to deal with challenges. During the game, your activity will collect characters from the George Lucas saga, so you can move on to the next levels. The game expects players to take part in the battle, which takes place in different modes. Here are some of the features of the game: You have the opportunity to use high-quality graphics, which can give you better visibility and experience. The detailed work on heroes, surroundings and enemies is simply breathtaking. Star Wars: Galaxy of Heroes mod APK has a stunning sci-fi effect. Players must pass through hundreds of levels and should pass through the bright and dark side to fight enemies and bosses. As you play, you'll gradually understand that you'll have to fight tough enemies, which would lead to cool rewards in galactic battle, team canteen battles, and challenge modes. New and improved Star Wars: Galaxy of Heroes options ensure that characters are viewed in 3D format, making sure the battle has a special effect. Heroes must face multiple enemies during the game. Health bars appear above the character heads. At the end of the battle, players have the chance to receive rewards that will be in the form of experience points, purple crystals, credits and other items. You have to complete the daily challenges and you don't have to spend real currency. Why use this Star Wars: Galaxy of Heroes MOD? Star Wars: Galaxy of Heroes impresses with its complexity. This is not just a game for Android. It has all the features required to combine fun with the game with challenges to unlock levels, characters, various items. It is addictive because it keeps playing to create the ultimate team, become a master of the galaxy, participate in battles. There is no way to become a champion of the galaxy without spending real money in the game. It's really annoying. No one wants to use their own money for a mobile game, even if this game is really worth it. Therefore, our hack is the most excellent solution. Some reasons are because it is free, 100% safe, works well, without viruses, without malware. It has been tested several times by our hacking team. Yes, there will be full confidence we can admit that star wars: Galaxy of Heroes mod apk is ready to be downloaded and installed. Have fun playing the game with unlimited crystals, unlimited credits, infinite XP and all unlocked characters. How to download and install Star Wars: Galaxy of Heroes MOD APK on Android File mod apk is very easy to install: Just click the download button below Download MOD APK Wait until the file is downloaded and then open it Install Star Wars: Galaxy of Heroes Mod Apk file on your Android device Follow the instructions inside Start and Enjoy modem Make sure that ticked the box for - Allow installations from sources other than the Play Store in the settings of Star Wars Galaxy Of Heroes Mod Apk Visually striking and with adrenaline pumping Star Wars™ music, Galaxy of Heroes is a must-play for fans for the series. - USA Today The best Star Wars game to release for mobile devices in the latest memory. - Gamezebo Live Star Wars™ dreams as you fight your favorite dark and light side heroes in iconic locations to become the master of the galaxy. Take part in epic turn-based battles, take on giant bosses, develop your characters and take your experience to the next level! Galaxy of Heroes allows players to collect Star Wars characters from both the main canonical universe established after The Walt Disney Company took over Lucasfilm and the Legends-canon series Star Wars: Knights of the Old Republic, team up with them, and use them to fight in turn-based battles. Star Wars Galaxy Of Heroes Mod Apk v0.19.541041 (Unlimited Crystals) There are many ways to collect characters: some are awarded to players immediately, while others are earned through gameplay or In-game rewards in the form of shards that are earned by players to unlock and promote their characters. Shards can be earned purchased in-store. When a player maximizes the rarity of one non-event character to seven stars, they unlock a special shop where you can exchange excess shards from seven-star non-event heroes for equipment. The amount of shards needed to unlock a character will also correspond to their initial star level, which can range from one to seven stars. READ ALSO: Premier League characters can be promoted to up to seven stars, and each additional star increases their power. There are also training droids that can provide different levels of experience points to align characters. Rebel leaders? Empire Stalwarts? It's your choice as you build elite bands of light and the dark side while collecting heroes and other characters from the Star Wars universe™. Make key strategic moves and choose allies with free skills to assemble unbeatable teams! Become a GALAXY MASTER Defeat your opponents and get up to the top when you dominate galactic hology in a remote canteen. Upgrade your heroes' skills as you play for even more powerful attacks and bigger wins. Then fight other players in Squad Cantina battles, PvP Squad Arena, and Team Tournaments to reach greatness. PLAY WITH POWERFUL HEROES Make smart tactical decisions and equip your heroes with the best equipment to increase their damage in galactic war. Unlock the leader's special abilities to keep your team unstoppable when you unleash command moves such as Emperor Palpatine's Force Lightning, Wookiee Chewbacca Rage, and more. Collect iconic spaceships and huge capital ships to build your battle fleets. Attack brand new challenges, fight in space, and compete in the Fleet Arena to test your prowess. Collect unique upgraded materials for your character, available only as rewards in Naval Battles. Each ship also has its own crew, adding special powers to individual ships. Recruit powerful characters to create the strongest armada! Rally with friends and take on powerful bosses like Rancor and AAT Tank to form one customizable guild! Show off your guild mates via guild chat and engage in the guild's daily activities to earn rare rewards. Set your place at the top of the guild rankings and watch your legend grow. Features Star Wars Galaxy Of Heroes Mod Apk: God Mode Increased the amount of damage from the player Reduced the damage inflicted by the enemy by half, as installed: Go to → security settings → unknown sources → turn it on. Download the Find file in device store section from the link below. Tap the app and install Mod Apk. Do. Subscribe to us on YouTube: enjoy the Hack! Request more Hacks on Click here Download Star Wars Galaxy Of Heroes Mod Apk Go to the download page you can't download! Don't worry, download using the mirror link below. Mirror Link Final Words (Conclusion): Equipment, mods and skill parts can upgrade characters, although some tools can only be won from battles for one particular power side to encourage players to play on both sides. The maximum tier limit for Star Wars: Galaxy of Heroes is 85, which has been changed from the previous level limit of 80 (previously 70). The maximum gear level has not yet been determined as the gear required to reach higher levels is not available in many locations. Players advance to the next level by gaining experience, completing daily quests or completing battles. The main currency of the game is credits. Credits can be used to train a hero, buy things in the store, get a hero when you have enough shards or promote a hero.
