Features of Followers - Unfollowers Mod : - All unlocked - Advertising Removed Installation Instructions : - Have you visited this site on your mobile phone? 1. Download the Apk file on your mobile phone. 2. Set and run it. 3. That's it, Enjoy! Have you visited this site on your desktop or laptop? 1. Download the Apk file on Pc. 2. Transfer the Apk file from PC to Android Phone (Via USB, Bluetooth, Wi-Fi). 3. Install and run it. 4. That's it, Enjoy! Continue to use SAFE UNLIMITED SMART UNFOLLOW ALL your not following back and lost followers or UNLIMITED SMART FOLLOW all your fans and follow the statistics of home widgets for Instagram . More than 2,000,000 users trust our safe login stream because we use https, more information can be found in terms and conditions. All you have to do is choose how many users you would like to unfollow or follow with NO LIMITS, and it's IT! - Our app can automatically control 60 unfollow/follow actions per hour, keeping your Instagram account safe. Unfollow Pro for Instagram keeps you updated on your activities on Instagram. Using this app, you can track useful information such as: Lost followers are the ones who unfollowed you; Not followers - those who don't follow you back; The fans are the ones who follow you, but you don't follow them yet. Reach your individual Instagram stats NOW!;* Daily followers and followings to see how your Instagram growth strategy works; Daily counting of your non-followers, lost followers and fans. Some other features include: Show all your followers and followings that have a personal profile; show the most popular Instagram followers and following from your account. Useful notes: Please make sure you don't close our app until the work is done on the next/next work, and make sure that you don't have clean memory apps that could kill our background service. Your battery can drain much faster, and your internet traffic consumption will increase.For the sheer number of selected users, you have to connect the charger, connect to the Wi-Fi network and forget about all your non-followers back, lost followers or fans ;)

You can use the simple version for free, with some ads and special limit features or you can all this without restrictions and without advertising, using one of our PRO packages designed for each user's needs. Caution! Instagram allows a limited number of unfollows per hour between 60 and 200 requests depending on the age of your account. We recommend not to exceed this limit! If the limit is reached, it may happen that simply unfollowed users still remain as the following. Unfollow for instagram - For Android Screenshots Download and install Unfollow for Instagram and APK on Android in others to have a sleek experience, it's important to know how to use the APK or Apk MOD file once you've downloaded it on your device. APK files are raw files of the Android app, similar to how .exe is designed for Windows. APK means Android Kit Package (APK for short). This is the batch file format used by the Android operating system to distribute and install mobile apps. In 4 simple steps, I'll show you how to use Unfollow for Instagram z.apk on your phone as soon as you've done it download. Step 1: Download Unfollow for Instagram No.apk on your device You can do it right now using any of our download mirrors below. Its 99% guaranteed to work. If you're uploading an apk to your computer, make sure to move it to an android device. Step 2: Allow third-party apps on your device. To install Unfollow for instagram.apk, you need to make sure that third-party apps are being included as a source of installation. Just go to the menu for the security settings and check unknown sources to allow your phone to install apps from sources other than the Google Play Store. On Android 8.0 Oreo, instead of checking the global setting to allow installation from unknown sources, you will be asked to allow your browser or file manager to install APKs on the first attempt to do so. Step 3: Goto Your File Manager or Browser Location Now you will need to find Unfollow for Instagram.apk file that you just downloaded. If you prefer, you can also download the file manager app here, so you can easily find files on your Android device. Once you have found Unfollow for the Instagram.apk file, click on it and it will start a normal installation process. Click Yes when asked for anything. However, be sure to read everything on the hint screen. Step 4: Enjoy Unfollow for Instagram - now installed on your device. Enjoy! Are APK files safe? Ignore any rumors or site that says otherwise. APK files are usually as secure as the .exe Windows PC file, hence the most important thing to note is that you should always download it from trusted sites. You usually don't have anything to worry about as we have provided some of the safest sites in our Apk download mirrors below. Thanks for reading this tutorial. Download the app below!
