I'm trying to buy a vip of it show bug purchase, and I'm selling an item that doesn't seem to have much money Reactions: noto I don't understand why people would use the fashion version without Google logging in. I've even explained how it works to play this game with a way in, and it's easy to change, people just need a notepad app to change this stuff like Gold, Exp, Stat Points and Skills Points. You can probably even change gears, but have to figure it out how to do it without using a guardian game or any other outdated mod fashion tool.
