Damaged car tyres/tire valves are life-

threatening. The device is not to be used by children or non-instrumental persons. Children are not allowed to monitor children using the device to make sure they are not using the device spie- The user must use the device correctly. It should take into account local conditions and pay attention to people in the environment when working with the device. Use high-pressure hoses, fittings and connections from the manufacturer. Do not use the device when other people are in range unless they are wearing a protective clover. This device is designed to use cleaning products supplied or recommended by the manufacturer. The use of other cleaning products or chemicals can ensure the safety of the device when the switch/device is switched off, or the sockets can be pulled out during long breaks. innovorable liquids never suck solvents containing liquids or undiluted acids and solvents! These include, for example, gasoline, thinner paint or fuel oil. Spray fog flammable, explosive and toxic. Do not use acetone, undiluted acids and solvents, as they attack the materials used on the device. Operation in potentially explosive devices is used in dangerous areas (e.g. gas stations) to carry suitable protective adhesives and glasses to protect against re-injection of water or dirt. Before all actions with the device or on the device establish stability to prevent accidents or damage caused by a fall on the device, the stability of the device is ensured when it is at the level of personal protection equipment Page 16 Brand Kurcher Model K5 Premium Home Products Pressure Washer Language English, Dutch, Croatian, Slovenian, Hungarian, Greek, Slovak, Turkish, Romanian, Finnish, Russian, Norwegian, , Ukrainian Filetype PDF Form Factor Vertical Power Source Electric color black product, Yellow Pants Length 8 Water Filter - Castor Wheels - Working Pressure (max) 145 Maximum input water temperature 40 Maximum flow speed 500 Working pressure (min) 20 Energy consumption (typical) 2100 AC input voltage 230 AC Input Frequency 50 Weight 14500 Width 349mm Depth 426mm Height 878mm Surface Cleaner - Rotating Nozzle - Special Nozzle - Washing Brush - Vario Power Spray karcher k5 premium assembly instructions. karcher k5 premium full control plus instructions. karcher k5 premium operating instructions. karcher k5 premium full control plus home instructions. karcher k5 premium full control plus assembly instructions
